Arranging and ensuring the secure a radio booster station a success of the meeting of the Terrace. Associated Boards of Trade held in Terrace last summer.

The chairmen of the various committees were then called on to present their reports.

American Settlers Coming Into Area

Reporting for the Industrial committee, Will Robinson stated that some Americans would be bringing modern land clearing machinery into Terrace soon with the object of clearing and bringing a large area of land under cultivation. A Prince Rupert man, who has purchased a arge tract of land near the Lakelse Hot Springs, was expected to bring the Hot Springs to advantageous use in the near future.

George McAdams, chairman of FOR RENT — Two kitchens and he resolutions committee, stated that the following resolutions had received attention:

Armointment of a senator for suite. Apply Suite 7, Washing- | Northern B.C. Air mail service.

Development of the Lakelse tendent. Hot Springs.

Time limits on leases of Board of Trade, was presented natural resources. Better radio reception.

of efficient service in that capa- | Young People's city. The presentation was made by Clarence Michiel, chairman of the board of school trustees.

The guests were then called upon for a few words and ably responded. Peter Van Stolk committee, reports on the conexpressed the opinion that Terrace could expect rapid deare now being sent regularly to velopment in the near future. During the past six years the population had doubled. Quite A building has been purchased a few Hollanders could be expected as settlers when immigration made their entry into William Osborne Jr., on behalf Canada possible. Mr. Van Stolk, after spending six years had assisted the entertainment with the Netherlands consulate, recently returned to his home here.

Kenneth Kerr, president of the Farmers' Institute, spoke of the co-operation of that organization with the Board of Trade in sending two men to Ketchikan recently to look into the possiing the past year and how the farm produce there.
