Almost Double January and February Combined

City police court fines during March were almost double the total for both January and February combined, according to the police report for last month which was considered by the civic police committee at the week-end.

Reason for the increase, according to police Sergeant L. A. N. Potterton, was a basketball tournament which brought some 700 district residents to the city for almost a week. During that time the court collected \$882 fines, mostly from liquor viola-

Total police fines collected so far this year are \$1,430, of which \$318 was collected in February and \$230 in January. For the LED SALLY ANN first three months of 1946, fine collections were \$2,670, of which \$1,103 was collected in March

Last month, there were 80 convicted cases in court, 49 of which concerned intoxication charges laid under the Indian Act, nine possession of liquor, contrary to the Indian Act.

DEER CAUSE DAMAGE TO FARM CROPS-These young deer,

cute as they may be in the abstract, have caused considerable

damage to farm crops in the vicinity of Batavia, N.Y. By rights

they should be in the swampland which is their normal winter

habitat. The difficult job of routing them from the farmlands

and getting them back into the swamps was performed ef-

ficiently through the use of a helicopter, from which this pic-

ture was taken. Using sheep-dog tactics, the craft flew re-

peatedly to within a few feet of the ground to drive the deer
