Search for Lost T.C.A. Transport Is Revived

VANCOUVER (CP)—Hope grew today that the twenty-day-old mystery shrouding the fate of the missing TransCanada air liner might be solved, with at least one of the fifteen persons aboard found alive, as telegraph operators at Ashcroft and Lytton reported picking up messages purporting to come

heard late Saturday night. It said "this is the lost T.C.A. BULLETING Sunday and said "the plane is processions to the plane is procession. north of Coquitlam."

Although it is conceivable that "tapping" messages were made by throwing the wire over the telegraph line, search officials in Vancouver are skeptical that it will lead to the plane.

The mysterious messages with Those killed almost instantly a faint voice calling "hello, hello" were interspersed with

> It was reported to the R.C. A.F. here that the messages were heard Saturday night and Sunday on telegraph lines between Lillooet and Ashcroft, 130 miles northeast of here.

The plane vanished without trace shortly before midnight April 28 with twelve passengers and crew of three.

Static prevented a clear reage of about \$200 to the front ception of messages but there of a car driven by Miss Ellen was distinct "hello, hello" and Kinnaird, social service worker some reference to the T.C.A. of Prince Rupert last week. Miss | They were first thought the work Kinnaird returned to the city of some Saturday night reveller, at the weekend to have the cutting in on the line with a crumpled metal work straight- lineman's telephone but when ened. The bear, which had another message was heard Sun-

FIRST MEN FROM JOB-POOR MARITIMES ARIVE AT BRANTFORD, ONT.-Forty-four young

men from Nova Scotia and Cape Breton Island, the vanguard of an estimated 2,000 workers to be moved from the Maritimes to Ontario by the Employment Service of Canada, have arrived in Brantford, Ont., to take jobs with the Massey-Harris Co. They met people they knew from "back home." Walking through Massey-Harris plant, Bill O'Connell, right, saw Helen March, a neighbor from Sydney, N.S., who has been operating a drill at the plant since early war days. She went to Brantford as war worker. With O'Connell and Miss March are Stan McDougall, second from left, and Stan Bye, M.P., left, member of company's personnel staff who escorted the Maritimers around.

TORONTO-The Ontario ELECTORAL COLLEGE MENACES DEMOCRACY, U.S. CRITIC WARNS

By C. R. BLACKBURN Canadian Press Staff Writer

Set Up By 1787 Constitution, "Archaic, Dangerous Institution" Puzzles Political Reporters

WASHINGTON, D.C .- A "college" without teachers or students and, in the opinion of many, mins to the average diet. without any excuse for existence, is under congressional fire as a "definite menace to democracy."

It is the so-called "Electoral College" set up by the constitution writers in 1787 to ensure that the License for president and vice - president*
