

### SAVOY PURSUES WINNING ROUTINE

With only six more games to finish the season's Ten Pin League schedule, Savoy continued to smash its way to even more exclusive heights in the league standings at the week-end, sparked by the pin-topping virtuosity of Scoop Bury.

Savoy now stands well at the top of the league with 19 games won and five lost. 99 Taxi, the nearest contender, has won 13 games and lost 11.

Savoy widened its edge over 99 Taxi on Sunday by defeating them 3-0 in a session which saw the hotelmen add up a score of 2,603 fallen pins. Bury performed his almost-routine feat of bowling the high single game of 220 and the leading three-game score of 563.

Imperial Oil, which holds third place in the league standing, won three games by default from General Motors.

A glance back over individual performances shows that R. Sparks of Savoy holds the season's record for single games with a high mark of 235, while Bury holds the three-game record with a score of 593.

### Basketball Play-offs This Week; Girl Stars Are Going to Ketchikan

The executive of the Prince Rupert Basketball Association held a lively meeting last night in the Civic Centre during which many local hoop problems and ideas were thrashed out. And they were literally thrashed out with all putting in their own thoughts. The final conclusion was that it had been a highly successful meeting.

The girls' all-star team's proposed trip to Ketchikan was the opening topic on the agenda. It was decided that the girls would leave this Wednesday night for the Alaskan city for a two-game series—providing work is received confirming Ketchikan's acceptance. The team will consist of five High School and two Peoples Store girls. Nellie Bill, Elizabeth McKenzie and Millie Bill are the guards with Jackie Budinich, Rusty Thain, Edna Sandahls and Betty Hamilton on the forward line. Vernon Clecone will be taking the place of Eddie Gladding as coach.

The next business dealt with the rumored visits of outside teams to Prince Rupert during the next few weeks. There had been considerable speculation on the Trapp Tech squad of New Westminster or the Arrow Team of Vancouver's Intermediate "A" league coming here during the Easter holidays. However, executive deemed it inadvisable to have any visiting team here this late in the season.

With the second half of the local hoop league fairly well sewed up and winner of the second half declared, the most important topic at the meeting was the forthcoming play-offs. With the prospect of an early baseball and softball season it was thought advisable to hold the hoop play-offs as soon as possible. So this coming Saturday, March 22, will see the first games get under way. There will be an elimination

game in the Junior section with the first and third and second and fourth teams fighting for the play-off positions.

In the ladies' league Peoples Store and High School will have the honor of meeting for the Ladies' championship. Port Edward and Co-op will play a three-game series with the winners meeting Macey's for the Senior "B" top berth. The winner will meet the High School Rainmakers squad for the Senior "B" title. Up in the Senior "A" loop B.C. Packers and Savoy will do battle in a two-out-of-three series, the winner of which will meet the second half winners, Bo-Me-Hi Rainmakers, also in a two-out-of-three match. One stipulation was made and that was that no additional player could be signed up by any team in the league from now until play-off time. The time scheduled for these play-offs was not decided last night but further information on the play-offs will appear in the very near future. The basketball executive also wanted to be put on record as favoring daylight saving time for summer recreation and letter to this effect will be forwarded to the proper authorities. The meeting came to a close with a recommendation that, immediately after play-off time, a meeting be held to clean up any additional business before the season is officially closed.
