Married Here; Father of Three

It's been Army Week up in
Alaska and here and there a
soldier finds himself being
given a write-up. Here's what
one paper says about Sergeant
Fred W. Schlicher who was
born in Oklahoma and who in
1942 journeyed from Seattle to
Prince Rupert.

"One result of his nearly
three years of service in Prince
Rupert was Fred's marriage to
a Canadian girl, Mrs. Schlicher
and her three young daughters
now live in Anchorage with
their soldier husband and
father."

THE GENTLE BLEACH

BUYS AND WHYS BY Barbara Brent

A weekly advertising and information service for today's woman

"How can I hold down my meat bills?"—that's
the burning question these days. One fine way is
to use more OXO—for OXO is meat—prime, lean
beef in concentrated form. So make your stews
using less meat and less expensive cuts of meat.
Get extra meatiness by adding OXO cubes or
fluid OXO. And, because gravy makes your meat
seem like more, serve your roasts with lots of
rich, brown gravy made by adding extra liquid
(water from your vegetables or just plain water)
and OXO to the juice of the meat. Or serve
steaming, beefy OXO as a soup for that necessary
hot spot in a salad meal. You'll want to keep reminding yourself of the
OXO way to put beefy goodness into your meatless meals—so, for
meat-saving keep OXO on your handiest kitchen shelf and use it often.
In cube or fluid form, OXO is economical, wonderfully easy to use and
so good the whole family will love it.

MONEY TO REDECORATE YOUR HOME!

Thinking of redecorating your home this
Spring? Here's good news for you if you and
your husband require money for home repairs
and redecoration—the *Personal Loan* plan of
the BANK OF MONTREAL. It's a service
for you who would like to borrow money with
as little bother as possible—for you who are
in a position to make repayment without
strain on the family budget. The manager or
the accountant of your nearest branch of the
BANK OF MONTREAL will be glad to discuss the plan with you and
friend husband. And don't feel you're asking a favour of the bank when
you borrow through the B of M's *Personal Loan* plan—lending money
is, after all, the bank's business. You'll be pleased at the low cost, too—
only 27 cents a month for each \$100 borrowed, when repaid in 12
monthly instalments.

NOW NYLON KITCHEN EFFICIENCY!

Here's a timely tip from *Canadian Industries
Limited* on how to increase efficiency in the
kitchen... use brightly modern brushes bristled
with that wonderful stuff—NYLON! For in-
stance—there's the vegetable brush—just a com-
mon little brush—but not ordinary any more
with its shining, clean NYLON BRISTLES!
For besides wearing many times longer than
other brushes, NYLON BRISTLES keep their
shape... can be boiled and sterilized... stay sweet smelling and attrac-
tive! The quick-drying characteristic is a definite virtue for the soap
and water brushes. The brushes with the C-L NYLON BRISTLES
are the best you can buy. And just think of all the types of brushes now
made to help you!... baby bottle brushes, utility sink brushes, tumbler,
spout, percolator, pastry, silex... So when you buy—be sure to look for
the words NYLON BRISTLED!

CLOTHES STAY CLEANER LONGER!

Time now—in the clear, warm sunlight of
April to think of Spring Cleaning—to make
everything in your home fairly gleam with
cleanliness—and I mean everything from your
husband's shirts to the kitchen stove. For the
shirts, you'll want LINIT—a fine, thin-boiling
starch that makes cotton look and feel like
linen, makes difficult ironing easy and—this is
no fooling!—it keeps clothes cleaner longer!
Magic, that's what! At least, it seems like
magic—though it's a tried-and-true fact that
shirts, pajamas, blouses, curtains—any number of fine things—wear
longer and stay cleaner longer when starched with LINIT. There's a
reason for this and I'm sorry I haven't the space to tell all—but for
more about LINIT—there's a free illustrated booklet giving you
numerous time-and-toil-saving suggestions on how to use LINIT. For
your copy of "The LINIT Book" just write to me—Barbara Brent,
1411 Crescent St., Montreal, P.Q.

MYSTERY OF THE DISAPPEARING SOUP

"Soup shenanigans!" you mutter to yourself
as the cream-of-mushroom soup vanishes just
after you've served it, steaming hot and deli-
cious, and there's a family chorus of "More,
please!" You've noticed that the soup you
serve, as a first course or in any one of many
dishes, always disappears with amazing speed
when it's any one of the delicious HEINZ
Condensed Soups. This is scarcely surprising
— when you consider the care for quality that
goes into the making of HEINZ Soups... they're made the small-batch
way, from choice ingredients—fresh flavour deftly brewed into each
and every soup. HEINZ Condensed Soups are the perfect bases for
many tempting, time-saving dishes—in fact, there are 57 wonderful
ways to add a dash of excitement to favourite dishes with HEINZ
soups—all of them in a free booklet—"57 Ways to Use HEINZ
CONDENSED SOUPS". Simply write to me, Barbara Brent, 1411
Crescent St., Montreal, P.Q., for your copy.
