LITTLE DISEASE

EVIDENT HERE

There's nothing like a truly fine fragrance to make you feel like a Femme Fatale! I'm thinking of HELENA RUBINSTEIN'S new "Gardenia" fragrance when I say this ... one wonderful whiff of the exotic "Gardenia Cologne" is enough to convince any woman in her right mind that she should buy a beautiful bottle (.85, 1.25)-and the Eau-de-Toilette (1.65); Dusting Powder (.75, 1.50). The "Gardenia Perfume" (1.50, 5.50) will set you dreaming of deep, tropical skies and when you come out of your dayream, you'll be impressed by the Eau-de-Toilette and Atomizer combined (2.65); by the Gift Set box,

including Eau-de-Toilette and Atomizer, Dusting Powder with Puff (3.90) . . . This truly fine Gardenia fragrance, by HELENA RUBIN-STEIN, at all better drug and department stores!

A STITCH IN TIME . . .

Men like to laugh at how little the little woman knows about finances. Silly, isn't it? We've had no end of experience making one dollar do the work of two and s. hing the household allowance 'til next payday. And when we have money saved -money in a Savings Account in the BANK OF MONTREAL-we have the right to feel pretty smug about it all! For money in a B of M Savings Account is the best way to save for future investments, for the payment of rent-taxes-insurance premiums-as a safeguard against emergencies . . . it's a stitch in time!
