# hada's Last Great West

ing the times of Empire builders. of men of vision

Grand Trunk Pacific was pushed from ocean to n and Prince Rupert came into being. he great enterprise linking the whole of Canada with

last great west, shortest route connecting the northernmost cities

a grade which is America's best. e scheme was a fascinating one for men of vision to Kaien Island from far apart

the effort of carving out a new metropolis of the th right from the very start.

the great Laurier's vision to tap the dormant resources America's last great west. est rails with ocean going liners, for which Prince

ert would become their haven's nest. sad circumstances came to pass, the enthusiasms

gie and Mann built the Canadian Northern into Vanver and Prince Rupert became a ghost town.

ver absorbed all the ocean traffic and does to this

and Trunk Pacific became the Canadian National, for

hen Prince Rupert lingered on with its life of a fishtown, waiting its sure turn to come. all its pioneers have passed away and its youth wan-

afield when and wherefrom. anada only men of vision to tap America's north last nire, things would be humming galore,

ody would be so busy that no one would have time to nt the development's score.

stern plutocracy sitting comfortably on its money bags for Canada a dead issue; busy enjoying Canada's cream to be interested in

ending Canada's industrial tissue. the Vancouver tycoons are hogging everything in sight,

arrow outlook is abominable and their greed is a fright. day will come to pass when central B. C.'s position will

its artificial handicaps will be pushed aside and cast will, eventually, have statesmen of vision and of its

mission among great nations, ill inaugurate a policy of expansion absorbing millions

hardy people through immigration. canada seems to be marking time despite her empty

aces, with its no policy of immigration. a's liquid assets, empty lands and untold potential

soon again make her able workers tighten their belt. a's railroads are getting in bad way for the lack of eight and traffic.

e want of statesmen whose outlook towards Canada's

are billions of dollars stagnating everywhere which etty soon will need salt; se Canada has no social policy but the one dictated from

e money's concrete vault. an people will soon have to starve in the midst of

se Canada's public 'policy's dossier of developments is

is of dollars, potential wealth are valueless matters if

sit that it is not being done? Can there any longer be

paltry hundred millions of dollars to give the Peace iver an ocean outlet would absorb all Canada's surplus

sterprising people, hardy workers, only want a chance employ their energy, and want no favor. of faith, cheer up! Prince Rupert is about to see a new

otential resources are about to be tapped at last, to a

e about to enter a new phase of development and a insiderable expansion

will mark the beginning of a new era that it is hard fathom the extension.
