C.N.R. DINING CAR ROBBED

TERRACE — Hungry thieves made a raid on the dining car of the Prince Rupert to Jasper C.N.R. train Wednesday night or early Thursday morning. Entry was made by the galley door where the screen was ripped and the glass smashed so that the night latch could be released. The robbery occurred somewhere west of Terrace and it is suspected the thieves left the train at that point. The 'grab' included a pie and several cans of seafood.

Edgar Provinse, for many years a well known business man of Hyder, Alaska, and Mrs. Provinse are revisiting there. They now reside in Montana, where Mr. Provinse is engaged in ranching, and motored from there to Prince Rupert recently.

LONDON HAS AMPLE FOOD

Fred Read of Capitol Theatre Writes—Shows Always Crowded

"You can get all you want to eat in the restaurants of London and you do not have to produce a ration card," writes Fred Read of the Capitol Theatre staff who is having a fine visit to his native city. "There are more places to eat in London than ever before. Prices for meats are a little higher than in Prince Rupert but, if you look around you can find very neat little places, new and clean with good service, where the prices are similar to Prince Rupert.

London shows and entertainments are crowded daily and nightly.
