

**Working Scribes
May Visit Here**

Among the many groups planning a trip to the northern coast this summer will be the Outdoor Writers' Association of America. Reservations will be made for 86 and of these 43 will be required to be members of the working press. It does not seem

to be definitely known if any will be in Prince Rupert but there is a probability.

"Wish I could nibble on my favorite flavor!"

1 You should have seen the youngsters hook onto a package of malty-rich, sweet-as-a-nut Grape-Nuts when that wonderful new cereal flavor first appeared on grocers' shelves back in 1897.

2 Today, everybody's raving about that same glorious taste in two grand cereals—POST'S GRAPE-NUTS FLAKES as well as Post's Grape-Nuts. Both are made of two golden grains—wheat and malted barley.

3 Post's Grape-Nuts Flakes give you up-and-at-'em nourishment that makes you feel frisky as a trout: carbohydrates for energy, proteins for muscle; phosphorus for teeth and bones; iron for the blood; and other food essentials.

4 Get yourself a catch of Post's Grape-Nuts Flakes for breakfast soon. And try the recipes you'll find on the package, for cookies and other good things. Regular and large economy size packages.
