#### DY KILOWATT Your Electric Servant

Please give me all the facts and I

Will 'go to work' on Father!"

"Well, first of all" says Reddy "The whole so-up is clear: The heat is clean, electric beat: No flame for fumes to fear."

"Hot water as you need it, From early morn till night; For dishes, laundry, baths and such, It is a wondrous sight!"

"Ane though you may not think it, The cost is mighty low, For an automatic heater that is Always on the go,"

# COMPANY LIMITED

Yes, an automatic electric water heater is a necessity in almost any home. It's so nice to get up in the morning to steaming water for your shower - with plenty of hot water all through the day for household needs and still more for the children's laths at bedtime. Just a few cents worth of electricity heats enough water to float young Johnnie and his whole fleet of wooden ships!
