# SHORT SPORT

One of the surprising disappointments in local sports circles is the failure of the football executive to show any interest in their association. Both baseball and fastball executives have met, teams have been organized, schedules drawn up and a full season's activities planned and so far there has been no lead given by the football association.

Yet there has been much activity among the younger players, and the older ones are still wondering why the chairman of the football association has done nothing. At the High School there are several teams all showing a desire to play Inter-grade matches which have been hard fought and challenges and counter-challenges keep football interese at a high pitch.

Rumor says that Grade 11G is the team to beat. They have lost to Grade 13 and on another occasion drawn with them. In their other matches the Eleven Gee's have won steadily.

At one time football was a feature sport in the city and it seems certain that, if the chairman of the football association called a meeting, there would be a lively response. By the way, when was there an annual meeting of the football association?

A crowd, 35,000 strong, voiced its approval as the great three-year old, Alsab, came from behind the field to win the 52nd running of the Preakness Stakes at Pimlico five years ago. Al Sabath's $700-colt set a new record of 1:57, which lowered the old record by a second and a fifth.

Walter Hagen, the old strategist who refused to be counted out, won his fourth British golf open championship 18 nears ago at Muirfield, Scotland. "The Haig" duplicated his previous year's score of 292—made when he clinched his third title—to lead runner-up Johnny Farrel by six strokers.

# SHIPS AND WATERFRONT

Running late again owing to heavy freights for cannery points as preparations become intensive for the opening of the sockeye season a few weeks hence, Union steamer Catala, Capt. Harry McLean, arrived in port at 11 o'clock Saturday morning from Vancouver via the Skeena River and sailed early in the afternoon on her return south. Among her passengers the Catala had a few early season round trippers.

JUMP SCOTCH EXPORTS

EDINBURGH (AP)—Seventy-five per cent of Scotch whiskey is to be sold abroad compared with the present proportion of 50 per cent. The additional amount of exports will so far as is practicable be sold in dollar or hard-currency countries.

With a good-sized list of passengers including a considerable number of local people, Union steamer Coquitlam, Capt. John Boden, arrived in port at 9:30 last night from the south and sailed at 1 a.m. for Stewart and other northern points whence she will return here tomorrow morning to sail for the south at 1:30 p.m.

Constable R. A. Brett, formerly with the city police here and more recently stationed at Vanderhoof, arrived in the city Saturday night from the interior and will sail tomorrow afternoon on the Coquitlam for Butedale, where he has been transferred. Constable Brassard of Vanderhoof, who has just joined the force, takes Constable Brett's place at Vanderhoof.

LIMIT CAR TRAFFIC

STOCKHOLM (AP)—The Swedish government has limited motor car traffic by means of special driving permits for passenger cars. Hitherto only trucks had come under this regulation.
