Gov't Dominates Confidence Vote

Bo-Me-Hi Comes Through — Second Hurdle This Afternoon—Native Tourney Big Event

The basketball tension broke at 5:45 yesterday afternoon when news arrived of Bo-Me-Hi's win over Kamloops. Ever since the local students left on Tuesday, a feeling of surprised excitement had been running through the town. Everyone "knew" the locals would win, but still—there was a chance they might not! Now all that waiting is over. The lads came through with one of their famous last quarter drives to emerge from behind for the win. On the short side, 30-25, going into the last period, the Rainmakers lashed out for 21 points while holding Kamloops to a mere two.

And just to show that Rupperites stick together — reports have it that there was a solid block of former citizens, mostly from U.B.C., cheering the Rainmakers on. That kind of spirit is typical of Rupert's sport fans.

The lads are to play again this afternoon with Trapp Technical of New Westminster, but, regardless of the outcome, most fans in town are proud of "our kids."

Beating the highly favored Kamloops squad must have given the south quite a jolt, and a 46-32 pasting is quite a reverse down there. Rupert can be proud to have these lads for citizens and Alex Bill and Boyo Gurvich are to be credited for devoting so much time moulding these students into a first class ball team.

At the moment the High School's journey has overshadowed an important tournament to be held in town next week. The big native contest will get underway on Wednesday, March 12, with eight teams striving for the B.C. Packers' Northern B. C. native championship trophy. Representing most of Northern B.C., the teams meet on Wednesday in an elimination tourney lasting three days, with the playoffs on Friday night.

Kincolith, Aiyansh, Greenville, Port Simpson, Metlakatla, Kitkatla and the favored Kitimaat teams will be bringing an estimated 400 visitors to town with them. With such a large crowd expected, Roosevelt gym is going to be used. On Wednesday afternoon, the referee in charge Fred Calderone, is to give a lecture to all the teams and managers, so there will be a minimum of argument regarding the rules once the tourney starts.

As an added attraction on Friday, Savoy and B.C. Packers will play—the winner of this match is to meet the champions of the tournament on Saturday. The Packer-Savoy tilt will be a regular league game held on Friday instead of Saturday.

Arthur Murray is the tournament manager and he is being assisted by Fred Calderone, referee in charge; Dave Houston, timekeeper and Bill Bacon, scorekeeper.

Besides the B.C. Packer trophy there will also be a consolation prize for the winner of the teams knocked out in the first round. 99 Taxi has put up a trophy to be given to the most valuable player.

All in all, this will be one of the biggest tourneys of its kind ever held in Rupert.

Captures Canadian Curling Championship At Saint John

SAINT JOHN, N.B. (CP)—Jimmy Welsh's rink from Manitoba Thursday captured the Canadian curling crown, coming through with a smashing 18 to 7 victory over Prince Edward Island. The game was featured by a score of seven stones in the eighth end.

British Columbia, holding four spot standings, came through with a 9 to 8 win over Ontario.

WOULD REDEEM PUBLIC DEBT

VICTORIA (CP) — C. W. Morrow (CLN-Okanagan North) prophesied that provincial revenues next year would show a surplus of $10,000,000, and urged that the government apply this toward redemption of the public debt. He was making an address before the provincial house Friday.

He also urged a $1,000,000 irrigation project for the Okanagan district, establishment of an agricultural college in the interior, and channelling at least $2,000,000 from liquor profits for old age pensions.

ONLY TOKEN PICKETING

Forty-three Mouths to be Fed By Union Relief as a Result Of Glace Bay Strike

GLACE BAY, (CP)—It was learned today that only "token picketing" will be carried out in Halifax by ten pickets sent by District 26 of the United Mine Workers of America (C.C.L.) in connection with the unloading of American coal there.

Freeman Jenkins, spokesman for 13,000 miners on the maritime coal strike, earlier this week protested at the provincial government plan to provide for coal imports should the strike continue for a lengthy period.

Relief plans for the future, in the form of credit slips, will be instituted Monday. A union spokesman said the miners had registered 30,000 dependents.

A total of "43,000 mouths are to be fed by strike relief," the spokesman said.

Will Appeal On Death Acquittal

YES, that's what they'd be called in China . . . plain asphalt shingles.

But here in British Columbia they'd be called "Duroid" shingles. Duroid is easier to say! Duroid is easier to remember!

Actually there is only ONE make of Genuine Duroid Shingles, and it's made by Sidney. Yes, Genuine Duroid shingles have been made for years right here in British Columbia. Nothing but the best rag-felt goes into them. That's why Genuine Duroid shingles have such a fine reputation for dependability. That's why the name "Duroid" is so well-known.

For your home, use Genuine Duroid shingles. You can be sure they're Genuine Duroid shingles by the Sidney Seal of Quality stamped on every bundle. Look for it!

They're Genuine DUROID SHINGLES ONLY if they're made by
