### EDITORIAL

The Daily News joins heartily in the welcome to Gizeh Temple which has brought its colorful and tuneful array to Prince Rupert for these two days to conduct the ceremonial of initiation of novices from city and district.

The Nobles and their ladies are one of the largest and probably the most distinctive group of visitors which the city will have this year.

Those who were here when the last Gizeh Temple ceremonial was held in Prince Rupert something over 20 years ago, still remember the pleasure we derived from the visit of the jolly Nobles—who represent the spectacular branch of Masonry.

We know we are going to derive a great deal of enjoyment from having them again and all Prince Rupert people will be anxious to do what they can to welcome them.

That their two-day stay among us will be happy and enjoyable in every way will be the wish of all.

Prince Rupert feels honored at this important visitation and it is our hope that, when the time for parting comes, the Shriners will feel as happy about having been here as we are at having them.

So welcome, Nobles, and may your two days in Prince Rupert be happy and memorable ones for you.

#### The Mayor's Greeting

It is a pleasure,

on behalf of the good citizens of Prince Rupert, for me to extend a hearty welcome to the Nobles of the Mystic Shrine and their ladies. . . .

NORA E. ARNOLD, Mayor

I trust that their visit will be a happy and memorable one.

It is an honor and recognition that Prince Rupert should have been chosen as the venue for this important and colorful gathering.

Be assured that every hospitality possible will be gladly extended.

#### Greetings

to the Nobles and Citizens of Prince Rupert

Over two hundred members of Gizeh Temple will arrive in your city on May 23 and remain there until Sunday morning, May 25.

We are indeed pleased, and proud, that the Prince Rupert Shrine Club has arranged to have our Temple, with the uniformed bodies, come to your city to hold our Spring Ceremonial, and to enter into activities with you there on May 24.

We appreciate the fact that a great deal of work has been done by the members of the Shrine Club in Prince Rupert but also we know that we must have the co-operation of the citizens as a whole.

Now, on behalf of the officers and Nobles of Gizeh Temple, we salute you, Citizens of Prince Rupert.

RICHARD NELSON, Potentate
