MARRIED DURING PRAYER MEETING

Interesting Nuptials of Miss Shirley Wilson and George Cook

A very interesting wedding was solemnized last evening with Rev. John Linney officiating, when during a cottage prayer meeting in the home of Mr. and Mrs. Geo. Cook, 629 8th Avenue West their eldest son, George August Cook, was united in marriage to Shirley Mildred Wilson, eldest daughter of Mr. and Mrs. A. Wilson, of Vancouver.

Attending the bride and groom were the groom's parents, Mr. and Mrs. G. W. Cook.

The bride was becomingly attired in a white satin and net wedding gown. Her full-length veil was held in place with a wreath of white gardenias. She carried a bouquet of pink and white carnations.

The bridegroom's mother wore a brown afternoon dress and her corsage consisted of yellow and white carnations.

After the ceremony, while refreshments were being served to some fifty guests, the bride and groom duly cut the three-tiered wedding cake.

Moving pictures of the ceremony were taken by Clarence Dixon, brother-in-law of the groom.

The young couple will take up residence at 629 8th Avenue West.

Asks Enlargement Of Grave Space

Alderman George Casey introduced a resolution to city council Monday night urging that more space for graves be made immediately available at Fairview cemetery. He told of the shortage of space, particularly in plots supervised by various organizations. The matter was turned over to the city engineer for action.

WIN YOUR FAMILY'S PRAISE!

IF I'M LATE FOR SCHOOL IT'S 'CAUSE I JUST CAN'T TEAR MYSELF AWAY FROM THESE AUNT JEMIMAS

Usually, people find foreign objects in cakes of only one variety—birthday cakes. However, Ambrose Brown, local waterfront worker, found that it was an unusual cake that he had purchased in a local grocery store. It yielded a very strange lode.

"I thought maybe I was getting presents," he said, telling how his molars had crashed into hidden metal as he topped off his evening meal with what he had thought to be an innocent white cake. "I was deceived."

If Ambrose had owned a car, he might, by a stretch of imagination, considered one of the objects a present. It was a valve cap from an inner tube: a hard thing to test the teeth upon. The other object was a chunk of bacon, baked to the rigidity of a fir plank.

"Maybe somebody drove a meat truck through the batter," Mr. Brown said, by way of deduction.
