Campbell was first of the billiards in the Canadian tournament to the fourth round of the tournament when he defeated Simonson 100 to 66 last in the Legion rooms. He in the third round the before when he defeated by a score of 100 to 92. Campbell earned the right to play by defeating James 100 to 97 in their second-

The tournament now has come to a standstill pending the playing of a second-round game between H. A. Calderwood and D. Houston, which has been postponed by the illness of Mr. Calderwood. The winner of this game will meet Robert James who entered the third round by defeating Neil Cameron 100 to 54 earlier this week.

Flying Officer Jarvis McLeod is sailing tonight on the Camosun to return to Royal Canadian Air Force headquarters after being posted in charge of the Seal Cove base here for the last three months.

**Houston Is
Best Sport**

The city basketball champions were awarded their 1946-47 trophies Thursday night as nearly 300 hoop fans watched. At the half-time intermission in the Senior "B" game, the Bo-Me-Hi Rainbirds of the Ladies' League and the Gyro Club of the Junior division were given their respective trophies.

T. Norton Youngs handed the new Civic Centre Trophy to Captain Doug Shier of the Gyro team. Mr. Youngs mentioned briefly Gyro's fine record of only one defeat in the season as a good example of their claim on the trophy. This trophy was presented by the Civic Centre for annual competition so Gyros will be the proud holders of it for the next coming year.

Lieut. Eric Jones, R.C.N., on behalf of Commander C. M. Cree, presented the Bo-Me-Hi Rainbirds with the Commander Cree Trophy. The Rainbirds have won the trophy every year since it was put up in 1944. Captain Betty Hamilton received the cup on behalf of Coach Alex Bill and her other teammates.

After the last roar had died away, following the Senior "B" game, the Civic Centre Trophy, the Grotto Cup and the Civic Centre Good Sportsmanship Trophy were presented to the respective winners in an impressive ceremony.

Mayor Nora E. Arnold presented the Civic Centre Trophy to the Senior "A" champions, the Bo-Me-Hi Rainmakers, after making a short address. Captain Ed Cleone received the trophy for the Rainmakers mentioning briefly the fine opponents they had had in the B.C. Packers and the Savoy Hotelmen.

Bert Morgan presented Macey's captain Bud Pierce with one of the most bitterly fought for trophies, the Grotto Cup. Mr. Morgan noted that this cup had been in existence since 1922 and so is one of the oldest trophies still in competition in Rupert.

Following this presentation T. Norton Youngs stepped forward to make the announcement of who the Civic Centre Good Sportsmanship Trophy would be awarded to. The crowd fell into a breathless hush of expectation but Mr. Youngs, with a subtle flair for showmanship, kept them on their toes in suspense. Then just as the crowd was nearly exhausted with the suspense he called on Bob Houston of the B.C. Packers to step forward and receive his trophy.

The crowd was nearly unanimous in approving the popular choice. It is agreed that Bob is one of the best sports in Rupert. He is also the coach for those high spirited Macey players.

During the game a collection was taken which the Civic Centre is turning over to the Basketball Association to help pay for the costs of any players who were injured during the season. The Civic Centre also donated the free use of the gymnasium on Thursday night.

All those trophies will be on display at the Civic Centre in the near future—just as soon as the new trophy display case is erected. But right now they will

Secretary - Treasurer Johnny Campbell said Thursday that the league schedules will be worked out in the near future, but that he did not know whether or not the Port Edward teams would invade the Prince Rupert sphere.

"It depends on how things work out here," he said. "If we feel we're good enough, we will probably challenge Prince Rupert."

ASFALTO**

THAT'S how a South American would say "asphalt shingles". But strangely enough, here in British Columbia, most people would simply say "Duroid" shingles instead.

You see, Duroid has become so well-known that many people think it applies to ALL asphalt shingles. Actually, the name "Duroid" is an exclusive trade-name that appears ONLY on shingles made by Sidney.

Genuine Duroid shingles have an enviable reputation for dependability and long service.

For your own home, you can be sure of getting what you ask for—Genuine Duroid Shingles—by looking for the Sidney Seal of Quality on every bundle: It's there for your protection!
