## Preparing for Convention

### Canadian Legion in Session—Vernon Delegates Named

Many matters in connection with the forthcoming annual Legion convention which is being held this year at Vernon from May 10 to 14, were the subject of discussion at a well-attended meeting of the Canadian Legion which took place at the Legion Hall last night.

President V. G. C. Houston and W. H. Murray were elected as delegates to represent the Prince Rupert branch at the convention and the secretary-manager, P. M. Ray, was elected to stand by as the reserve delegate in the event of either of the other members being unable to attend.

Several resolutions to be submitted at the convention were approved by the meeting.

Secretary-Manager P. M. Ray was nominated by the Prince Rupert branch to replace Allan

M. Davies as zone representative for the district which includes Legion branch at Ocean Falls, Stewart, Terrace and Smithers, all of which branches will be invited to make a nomination for the position.

The meeting passed a resolution to invite the provincial president or the provincial secretary of the Legion to visit Prince Rupert during April or at his earliest convenience and thereby become familiar with the facilities offered here when this branch's bid for the 1948 convention being held in Prince Rupert comes up for consideration at the Vernon convention.

Donations to the Canadian Red Cross Society and to the Lions Club, East Vancouver, Crippled Children's Fund were passed, and a collection for the Veterans' Hospital Comforts Fund was taken up.

Entertainment of the crews of H.M.C. ships Uganda and Crescent during their visit here from April 7 to 9 was left in the hands of the entertainment committee which committee was also authorized to arrange a program for April 10 in commemoration of the anniversary of the Battle of Vimy Ridge.

It was decided at the meeting that the election of officers, which is scheduled to take place at the annual meeting on April 9, will be for a 12-month period instead of for six months as has been the custom in the past. Other changes which carried included the election of eight members, instead of six, for the executive committee and the holding of the annual general meeting in March in future years.

Members of the local branch were invited to "fall in" at the

shown than afterwards. With new lawns it may be necessary to work up thoroughly, then roll or allow to settle and work again. Not only does this preliminary cultivation tend to get the ground level but it also kills the weeds and here again the job is easier before the lawn is established than afterwards.

Good seed with lawns is vitally important. For special purposes like bowling greens, shady places and golf courses there are special types of grass or mixtures. Select a day with a little wind as possible to sow the grass seed and fertilize. This combats weeds. Thick, well fed grass will crowd out most weeds. For those that will not be crowded out, they should be dug out or sprayed with the new 2-4-D, which kills dandelions, chicory, plantain, etc., with little injury to clover and none at all to grass.

Sweet Peas Early Too—

Another early job will be planting sweet peas. These are best sown in a foot deep trench, into which has first been put about three or four inches of well rotted manure or leaves firmly pressed down and a little fine soil on top. Gradually the trench will fill in and a deep drought resistant root growth is developed. Later on some brush or strings should be provided for support. Frequent picking of flowers will assure long blooming.

Lawn Work Early—

One can hardly do lawn work too early. Grass seed loves cool weather and so does the grass itself. If it doesn't get its start while there is plenty of moisture in the ground and before the sun gets too hot you will not get best results. So just as soon as the soil is fit to work, as soon as one can do this without getting one's shoes really muddy, is the time to plant new lawns or repair old ones. The soil should be worked as fine and level as possible. It is much easier to get a lawn level before the grass is

Yes, the 9 delicious vegetables in Aylmer Vegetable Soup supply needed nourishment quickly. For its crisp carrots, tomatoes, new green peas and other vegetables, garden-fresh flavor, and precious vitamins and minerals. Made with barley, rice, macaroni, butter and rich stock, Aylmer Vegetable Soup is almost a meal in itself.

Serve nourishing Aylmer Vegetable Soup often—it's the delicious way to get needed vegetables every day.

Try this tempting recipe—it makes meat go further—

### Braised Steak—SIMPLIFIED

- 1 pound round steak
- 1 can Aylmer Vegetable Soup
- Seasoned flour
- 1 can of water

Cut steak into serving-size pieces; season ¼ cup flour with ½ teaspoon salt, ¼ teaspoon pepper and ½ teaspoon dry mustard, and pound into both sides of the steak, using the edge of a large plate or a meat-tenderizer; brown steak thoroughly on each side in a little hot fat. Add the Aylmer Vegetable Soup diluted with an equal quantity of water. Cover and simmer gently until the meat is tender—about 1½ hours—adding additional water if needed.
