

What City Council Did

Sale of the following city-owned property as reported by finance committee, was approved by council last night:
 Lot 21, block 38, section 7 (Ninth Avenue East) to Thomas N. Rowe for \$125.
 Lots 55 and 56, block 38, section 8 (Immanuel Street) to Mrs. Jean Rothan for \$55.

Council adopted a finance committee recommendation that the offer of H. G. Helgeson Ltd. to purchase lot 4, block 29, section 1 (Second Avenue) be accepted, the property having been advertised for sale, and this being the only offer received.

A grant of \$200 to the Museum Board to assist in reopening the museum and a \$150 grant to the Chamber of Commerce toward the cost of the Associated Boards of Trade convention was approved.

Approved the action of the licensing committee in granting the following trade licenses: L. A. Astoria and E. E. Rateford, messenger service, tobacco and confectionery store; Edward Garner, motor scooter sales; Percy A. Berg, garage; Mrs. B. Petterson, restaurant, subject to report from sanitarian.

Adopted a report of the health committee announcing that complimentary passes for each resident of the Pioneers' Home had been received from Arrow Bus Lines. Council registered a vote of thanks to Arrow Bus Lines for this kindness.

Authorized the chairman of the board of works and the city clerk to be the only ones to convey policy and instructions to board of works employees during the period that the city is without a city engineer. So far, no new engineer has been employed.

Authorized the purchase of two foamite nozzles and 50 gallons of foamite for the fire department on recommendation of the utilities committee. The foamite is for fighting oil fires.

Made arrangements for having the bronze plaque placed on the Roosevelt Park cairn. The plaque was purchased last September but a temporary wooden plaque has been on the memorial since its dedication.

Approved action of the board of works and utilities committee in offering to Mrs. Carlson the position of caretaker of the city rest room following the recent resignation of P. J. McCormick. Mrs. Carlson bid for the position at the time Mr. McCormick was appointed.

A request by inside workers in the city's employ for a five-day week was referred to the finance committee for report. The request claimed that the five-day week adopted by the city of Vancouver and municipality of Burnaby has functioned satisfactorily. Hours of work would not be reduced but merely compressed from the present five-and-a-half day week.

Declined an offer by a Vancouver brokerage house to sell the city up to \$95,000 in Province of British Columbia bonds at \$99.75 bearing 2 3/4 per cent interest. Instead, council authorized the finance committee to investigate the purchase of negotiable bonds with some \$60,000 which the city will not be able to use in its street program this year.

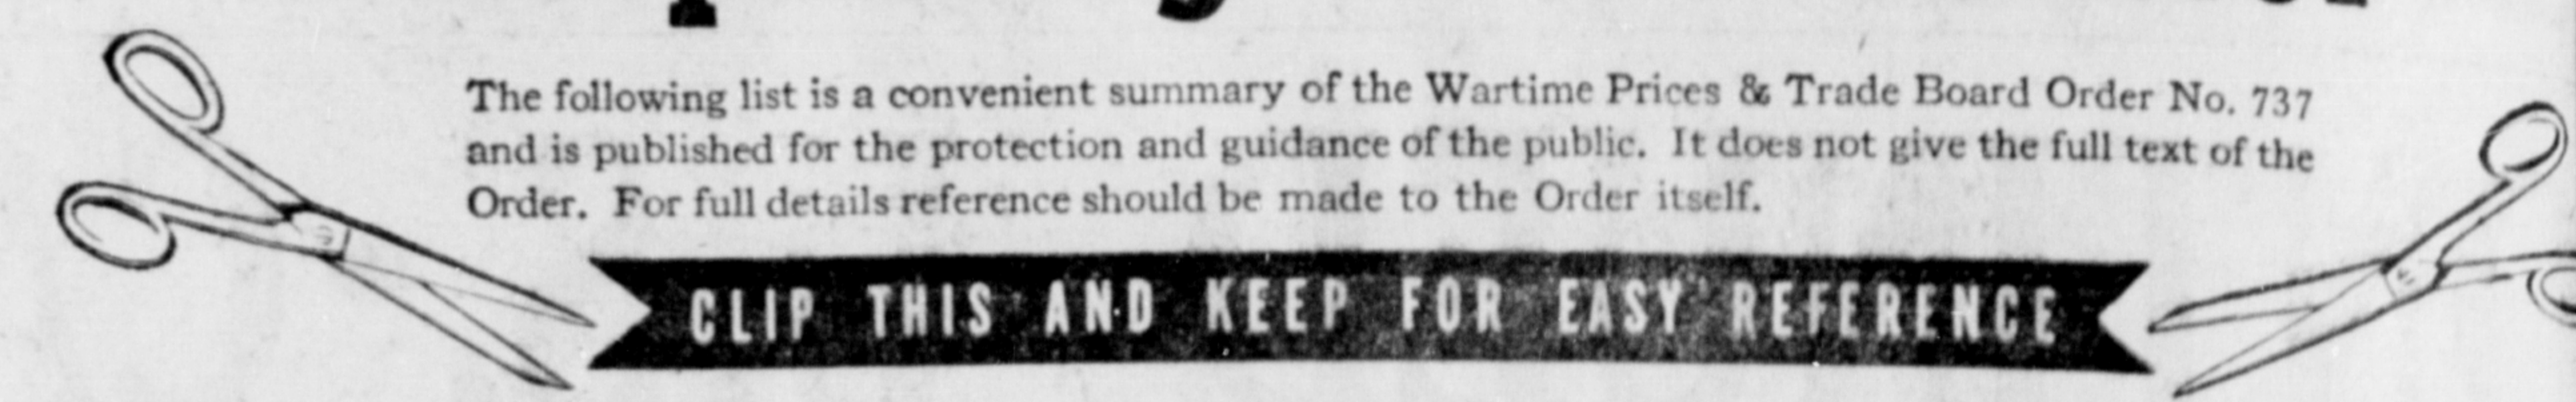

A complaint by Thom Sheet Metal Works concerning a large hole in Market Circle which forms a pond in wet weather in front of the premises was referred to the Board of Works, by council.

COUNCIL NINES LOCAL AUDITORS

City Council last night voted to employ the firm of George Rorie and Co. as city auditors for the current year at a fee of \$1200. For the last two years, a Vancouver firm has audited the city's books.

AN HISTORIC VISIT

POSSIBLY not without frank significance is President Truman's goodwill visit to the capital of Canada at this time. No doubt the Russian people, at least, will see one kind of significance. In a day or so, most likely, we will hear Moscow interpreting it as more war mongering between United States and Canada.

The defence co-operation of Canada and the United States is becoming less and less of a secret. The candor of the purpose is becoming less veiled every day but, of course, the object is mutual defence rather than intention to aggress.

No matter what the suspicious and potential enemy nations may read into it, the visit of Mr. Truman to Ottawa, as a gesture, is timely and reassuring. They are extending the chief executive of the United States every honor and courtesy in the Dominion capital. History was made when he addressed a joint session of Senate and House of Commons today.

The solidarity and friendliness of United States and Canada was never more surely demonstrated than is being done at Ottawa during these three historic days of visitation.
