NEW DIRECTOR OF HEALTH HERE

Dr. R. M. Lane, newly appointed director of the Prince Rupert Health Unit, and medical health officer, arrived in the city on the Prince Rupert this morning from Victoria to assume his duties here. Dr. Lane was accompanied by Mrs. Lane and their small son, Kenneth.

Driver Unhurt As Car Rolls Over

Sliding off the ice-coated street, a car operated by Sydney Hamblin was badly damaged when it rolled down an embankment on Tuesday, according to a police report. Mr. Hamblin received only minor injuries. The vehicle rolled over three times.

Colin McCarthy returned on the Prince Rupert this morning from Vancouver where he and Mrs. McCarthy attended the funeral of Mrs. McCarthy's mother. Mrs. McCarthy remained in the south.

CITY BASTILLE REDECORATED IN SHINING WHITE

For those unfortunate enough to get caught breaking the law, Police Sergeant L. A. N. Potterton offers a word of good cheer which, he hopes, might have the effect of alleviating that claustrophobic condition known as "cell block blues." The interior of the city bastille has been re-decorated.

His next statement was a guarantee that anyone who fails to treat its newly painted walls with proper respect will not have to suffer from the boredom of idleness.

"We have the jail cleaned up now and we intend to keep it that way. Any prisoner who marks the walls or creates a mess will have the opportunity to clean it up again," he forecast. "We keep a can of paint handy for the purpose."

The city jail, noted among provincial police constables as among the poorest in the province, will not revert to the dungeon-like gloom it so quickly takes on if it is not continually scrubbed and painted. Not if Sgt. Potterton can help it. Recently he asked for, and received, painting materials worth more than \$50 from the civic authorities to re-decorate the jail.

The job, now nearly complete, was done by prisoner labor, and some of these gratuitous workmen have taken a professional pride in their work. The cell block is, and will remain, a shining, if not a cheerful, white.

Another innovation in the police department is a gas chamber for destroying vagrant dogs, a chore which the constables consider highly distasteful. The chamber, a steel tank which will receive its lethal gas from the exhaust pipe of the police wagon, will replace shooting as the method of destroying the canines.

MONTREALERS TURN OUT EN MASSE—PROTEST QUEBEC ACTION—Over 1,000 Montreal citizens attended the Montreal Civil Liberties association rally in protest against freedom of citizens by Hon. Maurice Duplessis, Premier of Quebec. The meeting, called to denounce Duplessis' actions in the now-famous Jehovah's Witnesses case, was addressed by Hon. C. G. Power, former air minister, left, who upheld civil rights for Canadians. At right can be seen a group of citizens who attended the rally.

CANADIANS GET CANNED SALMON

OTTAWA (C)—More canned salmon is going to Canadians now than at any time in the last six years. Twenty-four million pounds of British Columbia's specialty flowed eastward in the last few months. Government officials say that the supply now is almost equal to that of before the war.

LOCAL MOOSE WIN AWARD

Prince Rupert lodge, Loyal Order of Moose, has been awarded the Pacific Northwest Moose Association plaque for enrolling the greatest number of new members of any lodge in the association during 1946. The award was displayed at last night's Moose meeting.

Members of the Prince Rupert lodge are proud of the fact that this is the first time the award has been won by a Canadian lodge of the association. It will hang proudly in the Moose Temple this year and, if won by the local lodge next year, will become its permanent property.

The Prince Rupert lodge won the award for enlisting more than 90 new members during the year, in competition with lodges in cities many times larger. The award was held last year by the Eugene (Oregon) lodge.

General business was transacted during the meeting and plans were laid for the initiation of 25 new members on January 23. The meeting concluded with a social period arranged by the entertainment committee under chairmanship of William Terry.
