FEMININE FRILLS REINFORCE ROLE

Carnegie-Claire Combination Designs Fluttery Attire for Emotional Part

NEW YORK, (P)— When Ina Claire was called upon this season to play a sentimental, fluttering woman in her current Broadway play "The Fatal Weakness," she took her problem to dressmaker Hattie Carnegie and together they worked out a wardrobe that underlines Miss Claire's ability to ac:

chest specialist, and Miss Doris | As Mrs. Espenshade, she has Col. C. V. Evitt, former local Bullock R.N., clinic nurse, ar- to be nervous as well as emobusiness man, arrived in the rived in the city on the Prince tional and silly. Miss Claire precity this morning on the Prince Rupert this morning from Van- fers sleek, smart clothes her-Rupert on one of his periodical couver and will be here for the self, but Mrs. Espenshade would not. Mrs. E. would prefer a house coat that fluttered and rippled across the stage, creating an illusion and emphasizing her type.

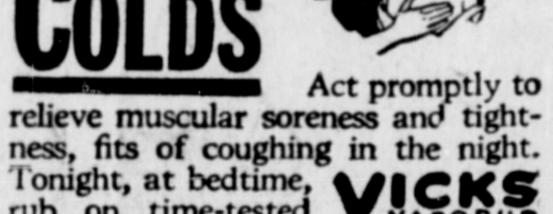

So Miss Claire wears a pale pink organza negligee with biased, ruffles that ripple from nesday February 26, 8 p.m. (48) succeeding M. J. Harper who is the waist to the knees and then flair out into a great flutter as she moves across the stage.

Mrs. E. got a sentimental D.S.C.R. will address | dings when she hardly knew dian Legion at the and this meant she had to be Legion Hall, Wed. Feb. 26 at 8 | well dressed to be happy. Miss p.m. Subject "Rehabilitation of Carnegie and Miss Claire work-J. R. McIntosh, chier engineer the Disabled Veteran." Moving ed out the rest of the wardrobe (48) so that necklines were softened, frills, ruffles and ribbons were added, all to keep the clothes in action.

Feminine members of Miss Claire's audiences gasp when she removes the jacket of a taffeta suit. Under what appears to be a trim, modest little costume is a lace blouse top cut extremly low, sloped over the

Your Electric Servant

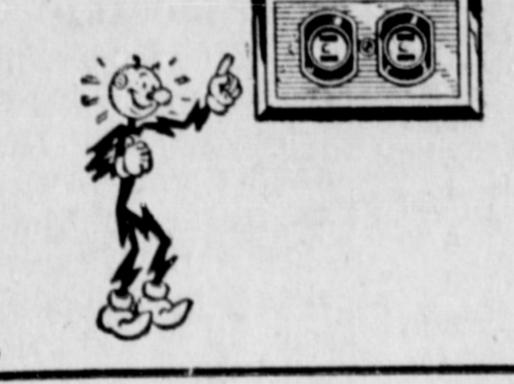

The modern housewife worries not When washday morning dawns; For laundry is no problem when She weighs her pros and cons.

There's plenty of hot water

With her big electric heater; The washer does the real hard work -They're easy on the meter!

With iron and presser handy Her work is soon completed: The end of day won't find her blue, With energies depleted.

NORTHERN BRITISH COMPANY LIMITED

As today's home acquires more and more electric appliances, additional electrical outlets are required. Avoid overloading single outlets. Your electrical contractor can readily make any necessary installations wherever needed.
