CITY FASTBALL SCHEDULE TO START MAY 16

Organized fastball will start on a scheduled basis in the city on May 16 when first league games will be played at Gyro Park, a meeting of the association decreed on Sunday. Three pre-season exhibition games will be played by men's teams prior to that time.

Sunday's meeting approved the appointment of the three-man commission which will rule the destines of the league for the season. Commission members are J.S. Wilson, chairman, Walter Landon and R. G. Moore.

Commission Chairman Wilson presented a constitution for the league, based on the rules of the Internationl Fastball Association. This was adopted by the representatives of the five men's and three women's teams that will constitute the league.

Mr. Wilson told the meeting that they plan to make every effort to have the city and the Parks Board get the Gyro Park field in playing condition for the first of the exhibition games on Friday night. Among improvement plans are the completion of bleachers along the first and third base lines at the park.

The meeting decided that there will be no regular double-headers this season. The schedule, which will be drawn up by the commissioners, will make allowance for only one nine-inning game on each playing night. Games will be played on Mondays, Wednesdays and Fridays.

First of the exhibition games, on Friday night, will be between Co-op and C.N.R., while the second game, on May 14, will be between General Motors and Gordon and Anderson.
