Seasonable Ideas for Housekeepers

their mothers for several weeks re this grand picnic.

Gardeners who were tempted Whether mothers enjoy the to remain at home and garden picnics as much as the children last night but decided instead to is another question. They will if attend the monthly meeting of they have the co-cperation of the Horticultural Club held in the whole family. Preparing a the Civic Centre came away feelfamily picnic is quite an undering that their decision was well taking unless everyone shares made and the time well spent. the work involved. This work is They learned that many of the often complicated by the varied local garden experts are waiting food suggestions given by Johnny, Mary or Big Sister. The seedlings and to plant their younger ones usually think that without sandwiches, of the assorted variety please, it is not a real picnic. The male members as pertaining to local conditions of the family may insist on havand afterwards led a question ing hot substantial food such as they would be served if they were having the meal at home.

Mr. Balagno declared that gar-The first thing to do when dening in Prince Rupert has contemplating a pienie is to degreat possibilities and satisfying cide where it will take place. rewards-referring particularly Naturally the mode of transportation available is of great importance also, since what one can bring on a picnic depends ors, velvet textures and the size on whether one travels by foot. by bus, by bicycle, by boat or by bleaching or fading and blosautomobile. Means must be devised to carry and keep the food The drive for more members hat or cold, as the case may be, will continue as it is hoped to n either case thermos jugs or reach a total of at least 200.

Efforts will be made to revive bottles are the answer. Home economists say that salad is very nice for a picnic. It has also the added advantages of being easy to prepare and to
