## ANNIVERSARY AT STEWART

Stewart Women's Lodge Celebrates Ninth Birthday

STEWART—Last Thursday Women of the Moose celebrated their ninth anniversary, entertaining members of the men's lodge and friends.

Following a class initiation, the homemaking committee was hostess for the evening. Court whist and several April fool pranks were appreciatively applauded.

Members and guests were served an excellent supper in the Moose Home dining room. Prior to the after-dinner speeches Acting Senior Regent Gibson called upon Recorder Wolstenholme for a roll call of charter members. In the roll call were J. Traversy, H. Tooth, V. Fisher, J. Stewart, C. Gibson, G. Bennett, K. Wakefield, O. Risch, R. Svedberg.

Applause was given for Mrs. W. L. Newell who instituted the Chapter.

The special gift was won by Chairman Muriel McKay. Winners in the whist were V. Fisher and W. J. Wakefield.

### Sound Project for Schools; Some Activity in Mining

Thirty-five members of the Stewart Parent-Teachers' Association were in attendance at the Stewart Court House on Friday to witness the test of a new projector which was recently purchased. The results were excellent and regular showings of educational pictures will be held at the Stewart Superior School. Constable George Nelson was appointed official projectionist.

The Portland Canal Lodge, Loyal Order of Moose, held their annual Memorial Service in the Moose Hall on Sunday. Governor A. Phillips presided with Secretary A. Russwurm conducting the service. Miss M. Dickson provided the musical accompaniment. The service was very impressive and a solemn note was struck as the names of several departed members were called by the secretary. As the names were called a light was flashed on over the charter which was draped in black and white as was the altar.

Arthur Scammell, who has been chief steward at the Silback Premier mine for a number of years, owing to ill-health has had to resign his position. He and Mrs. Scammell left for Vancouver where they will reside. Both Mr. and Mrs. Scammell were very active socially and will be missed.

### FRANCOIS LAKE FARMERS' LOSS

FRANCOIS LAKE—Hard luck has come the way of the Cottams again. When Mrs. Cottam was in town to get a batch of baby chicks from the station on Thursday, Mr. Cottam started the brooder to have it ready for them. He put it in the hen-house. When he was eating breakfast he heard a noise and went outside to see the hen-house in flames. In it were 28 laying hens, tools, and two boxes of dynamite and two boxes of caps so he was afraid to go near and try to fight the flames. There was no explosion but the building burned to the ground. It is a new building and Bud built it himself in the few hours he could spare from working in the woods.

### Modern Etiquette

By ROBERTA LEE

Q. What are some of the common expressions to avoid in conversation?

A. One's personality is reduced to a minimum if he persists in employing such words as "O.K." for "All right," "yeah" for "yes," "kid" for "child," "up to you" for "it's for you to decide," "sure" for "yes," and "I don't get you" for "I don't understand." People of refinement and especially women, do not use these expressions.

Q. How long should one, when travelling, remain in the dressing room of a train?

A. Not a minute longer than is required to complete one's toilet. To monopolize the dressing room on a train is a breach of good manners.

Q. When going to attend a christening, is it necessary for a guest to send a gift?

A. It is not obligatory, but it is customary.
