"Task Force" Action Saga

"Task Force," a drama of naval carrier aviation from its earliest days until World War II when it played an important part in the Allied victory, is the feature picture for this Wednesday and Thursday at the Capitol Theatre. pilots on the Langley, a small converted standard ship, the Navy's first carrier. How he went on fighting apathy against carrier aircraft forms the exciting background of the film subject matter.

Wayne Morris, who actually was a carrier plane pilot during the war, and Walter Brennan have principal supporting roles.
