A very enjoyable evening was spent Tuesday at the Civic Centre when Alan Hurst, principal, Booth Memorial High, sponsor and coach of the school basketball team, joined with L. M. Felsenthal, sponsor of People's Store team in entertaining the finalists in the Ladies' League.

At dinner 22 guests, includeding members of the respective teams, their sponsors, Jack Marchant, M. Holkestad, manager and coach respectively of Peoples Store, and J. Comadina, referee, sat down to the festive board.

Following the repast, L. M. Felsenthal, in a few well chosen remarks, complimented the teams on their work and sportsmanship during the season. Mr. Comadina also complimented them on their play and mentioned the pleasure it had given him to referee the games.

In the course of the evening, Mr. Marchant presented the various members of Peoples Store team, champions of the season, with silver loving cups, suitably engraved, donated by L. M. Felsenthal.

Mr. Holkestad was also made the recipient of a sweater and card, signed by members of the Peoples team, in appreciation of his work, this presentation being made by L. M. Felsenthal.

AFRICA'S NEWEST COLLEGE IBADAN, Nigeria, () - The New University College was opened here in January. It will graduate Africans in arts and science. Special provisions are being made for training in medicine, agriculture, forestry, veterinary science and engineering.

MAKING CANDLES - Miss Leontina Eisewerth of Young, Sask., is the only candlemaker in western Canada. She operates a candle factory founded by Father L. H. Shirley, priest of her parish at Young. Fr. Shirley first started making candles in the rectory with the hope of relieving the parish debt. His hopes were not realized and Miss Eisewerth took over in 1946. She uses a former grain elevator engine room for the factory and a filtering plant designed by Fr. Shirley is in the basement of his church.

PRINCESS ELIZABETH LEARNS RAILROADING-Making her first visit to a railroad plant since British railroads were nationalized under the Labor government program, Princess Elizabeth, heir to the throne, is shown at the workshop of the carriage and wagon works in Wolverton, Eng. She saw carriages in the making. The works superintendent, A. E. Peters, is explaining how fittings are finished.

water at the same time the salt is added.

Mr. and Mrs. B. E. Morgan of Billmor left on last evening's train for a trip to St. Paul, Minnesota.

HOBBY EXHIBIT

A favorite northern artist, Miss Jean Faure, of Telkwa, Housing Corporation business. plans to place an exhibit in the Prince Rupert art and hobby show which is to be held at the Civic Centre here April 28 to May 1. Miss Faure, who exhibted last year, has a number of new oils and black-and-white drawings of interior and local landscapes.

In addition, she plans to show number of flower studies which will rival in interest her well-known landscapes. During the last year she has painted in oils careful studies of daffodils. tulips, lilacs, pansies, gladioli and chrysanthemums.

Swelling the artistic displays will be paintings by Miss C. Seaman, Miss Eastwood and Mrs. Simplon, all of Smithers.

Additional hobby entries are expected to result from a visit between April 12 and April 16 of Miss Jean Travis, of the University of British Columbia extension department, who will give a course in leathercraft. Classes will be held in the afternoons and evenings and will be open to the public. High School and adult hobbyists are expected to turn out a few additional articles for display as a result of this instruction.

Merchandise prizes to the value of \$10 have been offered by Gordon's Hardware for boys' woodwork displays. Categories will be arranged so that all boys wood-The minister felt in need of work will be eligible for some a bit of nourishment and, un-
