WEDDING ON O.C. ISLANDS

Miss Marjorie Violet Kirby
Becomes Bride of Chris
Vernon Dahms

Queen Charlotte Island logging community of Sandspit was the scene of a pretty and interesting marriage ceremony on Saturday evening of last week when Rev. Basil S. Prockter of St. Andrew's Anglican Cathedral, Prince Rupert, officiated at the nuptial rites of Miss Marjorie Violet Kirby, daughter of Mr. and Mrs. George Kirby of Sandspit, and Chris Vernon Dahms, son of Mr. and Mrs. Alfred Julius Dahms of Wetaskiwin, Alberta. The wedding, which, incidentally, was on the thirty-first anniversary of the marriage of the bride's parents, took place in the Canadian Legion Hall at Sandspit and practically the entire community turned out for the service and the proceedings which followed. The hall was attractively decorated for the occasion.

The bride, given in marriage by her father, was attended by her sister, Mrs. Thomas Crozier. George W. (Dave) Kirby, brother of the bride, was groomsmen. Mrs. Ward played the Wedding March.

Serving of refreshments followed the ceremony and due felicitations were observed including the toast to the bride which was proposed by Mr. Prockter and responded to by the groom. Dancing and music followed.

Mr. and Mrs. Dahms are taking up residence at Sandspit where the groom is a welder for Northern Pulpwoods.

OBJECTION TO CITY FIREMAN'S OUTSIDE WORK

Objection by Prince Rupert's commercial photographers to a city employee soliciting work for an outside photographic firm will bring a request that such practice be discontinued.

The city photographers had a letter before council last night complaining that a member of the fire department has been soliciting for an outside company and asked council to do something about it. The aldermen decided to bring the matter to the attention of the Prince Rupert local of the International Firefighters' Union. Alderman A. S. Nickerson declared that he objected to a city employee soliciting for an outside firm when local photographers pay city trade licenses. In suggesting that a letter be written to the Firefighters' Union, Alderman T. B. Black pointed out that "one man on one job has always been one of the statutory planks of organized labor."

ISOLATES NEW DRUG—A microbiologist at Pearl River, N.Y., Dr. Benjamin M. Dugger inspects a sample of the new wonder drug which he produced from a golden-colored fungus. Called aureomycin, the new drug has given indications of being effective against various types of virus diseases, including certain dysenteries, Rocky Mountain spotted fever and other diseases that cannot be treated with the other wonder drugs penicillin or streptomycin.

Has the Oil Filter on your car been changed at the manufacturer's recommended mileage? And while on the subject have all the other points requiring periodical attention such as:

• Wheel Bearing Repack • Change of Transmission Lubricants • Cleaning and Re-Oiling of Air Cleaner, etc. been taken care of according to the instruction book? Many of these details are overlooked even by the owner who conscientiously has his car lubricated regularly. We remind our "Regulars" as these services become due.
