conference with political leaders, including Paul Reynaud, Marie's finance minister, and former Premier Paul Schuman. The cabinet's downfall left

France technically without a foreign minister at a moment of crucial conferences at Moscow, but Schuman will continue to fulfil the functions during the interim period.

The crisis, which brought about the government's collapse, was a two-day struggle to draft a series of economic and financial reforms. Informed sources said that the cabinet fell because Reynaud wanted to raise many prices.

Paris evening newspapers toopinions on France's future resignation of Andre Marie's government. Names most fresor were Pierre Mendes-France, radical socialist; Robert Schuman, premier immediately before Marie, and Paul Rama-

dier, premier before Schuman. However, all papers agree that it would be practically impossible for any of these candidates to get the necessary majority.

MOSCOW (P)—The resignation highest-ranking officers of the of the French government of three services that they must Andre Marie is believed to have work together as a unit if an affected the delicate four-power talks going on here on the Ger-

restal; the Army Chief of Staff, nounced that there is little Louis Denfield, Navy Chief of munique on the month-long four-power statement would be issued today covering progress of the talks.
