VANCOUVER () __ An attack on the lowering of freight rates by statute was delivered yesterday before the Royal Commision on transportation which opened here Tuesday.

An industrial group of paper manufacturers in British Columbia slashed out at statutory rates such as those provided in the Maritimes and for grain

Eastern freight rates are provided under the Maritimes Freight Rates Act of 1927. Grain rates are under the Crows Nest Pass agreement of 1897.

While taking issue with statutory rates, the board suggested that charges to shippers

Vishinsky said that agreements reached at Paris differed "seriously" from the original proposals put forward by Great Britain, France and the United States.

FIRE DAMAGES GILLNET BOAT

Some damage was done to the gillnetter Vinfeld, owned by Chris Johnson, at 10:30 this morning by a fire which broke out in the cabin when fuel from an oil stove became ignited.

The boat was moored near the shore at Cow Bay when the falling tide left it on the beach. As the vessel heeled on her side, oil escaped and caught fire from the stove.
