## Merchants' Letourneau Holds Moose Down to One-Hit Game Within Ace of Being No-hit, No-run Encounter

Merchants 1, Moose 0  
Fans who witnessed last night's game at Roosevelt Park came within an ace of seeing the first no-hit, no-run classic in local baseball history. A single by right fielder Verne Moore in the ninth was the only hit picked up by Moose as they lost a 1-0 thriller to Merchants for their third defeat this season.

Right-hander Dick Letourneau, on the mound for Merchants, turned in a masterful performance in winning his second game of the year. Only 29 batters faced him as he went the distance, striking out nine men and walking one. Three men, in all, were able to get on base for Moose, with one of these being caught off second in the seventh inning. Only one man reached third.

The first 18 men to face the Merchant hurler were retired in order but, in the seventh, an error and a walk put Shier and Kerr on base for the Lodemen. With one out, Shier was thrown out when caught between second and third and Vanetta struck out to retire the side. This was the only inning in which Moose posed a threat to Merchants.

Rosedale, on the hill for the losers, looked no worse in defeat as he hurled a three-hitter, striking out 11 men and walking one.

Merchants' lone tally came in the second inning when Eliuk walked, reaching second when McKinnon dropped a catcher's throw to second base, then took third on an infield out. He scored when Forman singled to right field.

## 40 YEARS FOR KILLING

ANCHORAGE—George Allen Whitacre, 46, has been sentenced to 40 years in the penitentiary for the murder of Wilmer Holben in the lobby of a local hotel here last New Year's Eve.  
"Evidently you're a dangerous man," said Judge Whitacre. A slightly built, graying man, blanching and sat down.

## PREMIER ENJOYS KLONDYKE NIGHT

PREMIER—The Premier Community Club held a big Klondyke night on Saturday. The big feature was the competition for the best hirsute adornment and this was won by J. Hamer (known locally as the "jackhammer") with Harry Melville of the engineering staff a close second. Many and fearsome were the results of the efforts to take this coveted prize.

The stage show was excellent and showed up some unsuspected talent. Norman Lenz, as an impersonator, brought down the house. Harold Ponder, in song and story, was in good fettle and J. Lyons, with the old-time favorites, "The Cremation of Sam McGee" and "Dangerous Dan McGrew" got a big hand. The piece de resistance was Tommy Bailey with eight pretty girls in a song and dance number.

Roulette, crown and anchor and "Seven Come Eleven" were, of course, among the entertainers.

## Polaris-Taku To Recover Antimony

The Polaris-Taku Mining Co. is considering installation of more flotation equipment and thickeners to recover antimony from its ores. The mine is on the Tulsequah River, near the British Columbia-Alaska boundary. Possibility of a return of more than \$400 per ton of 60 percent antimony concentrates is indicated.

## Former Northern Man Is Buried

The funeral of John J. Young, formerly of Prince Rupert and Stewart, was held in New Westminster in the Paterson Funeral Home. The officiating clergyman was Rev. P. C. McRae, and interment in the New Fraser cemetery. It was in Vancouver that death occurred.

## PRINCE GEORGE

E. T. Kenney, M.L.A. for Skeena and Minister of Lands and Forests, who was present at the launching of the C. N. R. steamship Prince George at Victoria recently, passed through the city yesterday enroute to Terrace.

Speaking of the launching and subsequent visit to the ship, Mr. Kenney spoke in praise of the vessel—its size, ample space, equipments and appointments and general accommodations. Such a vessel would mean much to the comforts and convenience of travel to Northern British Columbia and Alaska.

## CONVENIENT INNOVATION

Matches began to supersede the old flint-and-steel or tinder-box method of obtaining fire in the early part of the 19th century.

## LOST IN THOUGHT?

Napoleon Bonaparte was often morose and sullen as a school-boy, but he was proficient in mathematics and applied himself to other subjects.

## HOW CAN I ???

By ANNE ASHLEY

Q. What is the proper way to lay new linoleum?

A. Cut and lay new linoleum at least three weeks before nailing to the floor. This will prevent bulging. Then tack down only those places that are liable to be kicked or broken.

Q. How can I paint a surface successfully that is dusty and dirty?

A. It can't be done successfully. Before beginning to paint, always remove all dust and dirt. If the surface is not cleaned thoroughly, the result will be a streaky job that will peel off readily.

Q. How can I remove ink stains from colored fabrics?

A. Try applying a paste that is made of sour milk and fuller's earth.

## RESTORE UNIVERSITY

HONG KONG, Malaya, etc.—University facilities for Hong Kong are to be restored as rapidly as possible to what they were before the Japanese attack and honor courses in arts and science will again be offered beginning in September. More medical students will be submitted along with teachers of English for China.

## N.Z. INCOMES LEVELLING OFF

DUNEDIN, N.Z. (Figures to show that New Zealand's Labor government has achieved a "levelling off" of incomes in the Dominion since it came into office in 1935 have been given by Finance Minister Walter Nash. Higher-bracket incomes were lower than they were 10 years ago, he declared, and lower incomes were higher.

The number of people receiving between \$1,200 and \$2,240 a year had more than doubled between 1937 and 1947, he said, and \$3,200 a year numbered 36 those receiving between \$2,24
