

Impressive and Permanent Tribute to Former Bishop

Impressive tribute to the revered memory of the Bishop of Caledonia, Rt. Rev. George Alexander and Mrs. Sadie Rix, his wife and helpmate in a long and effective ecclesiastical career in the frontier, was paid yesterday afternoon at St. Andrew's Anglican Cathedral when, with the present

Rt. Rev. James B. Gibson, leading the memorial service, unveiled a handsome bronze plaque which was unveiled by Mr. G. Rix, son of Bishop Rix, as a permanent record. The Bishop was in the service by Rev. Basil S. Procter, rector of the cathedral, and Organist and the cathedral were also in attendance. In the day a new holy presented by their son, dedicated at communion by the Bishop.

The dedicatory sermon at the unveiling of the tablet, Bishop Gibson held that the dead, though gone from sight, were interested and watching the living through their prayers and inspiration. The speaker considered it unnecessary to extend tribute at this time to the memory of those who were honored today. In the communion of saints, he said, they had heard "Well done, good and faithful servants."

In the ecclesiastical career of the late Bishop Rix, Gibson told how he had originally destined, on coming from Ontario, for the post at Hazelton but, on the day he had been instructed to come to Prince Rupert, and it was in August 1913 when he came here. Throwing himself heartily into his duties, he had played a part in the completion of the cathedral here and, having shown his organizing and administrative capacity as rector and deacon, following the death of the late Archbishop F. H. DuVernet in 1924, he was elected and consecrated as Bishop in 1928. Under his reign Bishop, there had been development of the work including the extension of missionizing in the Peace River agricultural area.

GREAT WORKERS
In all his great work, Bishop Rix had for quiet but effective helpmate Mrs. Rix who had kept in step as they had truly worked together. In every sense of the word, they had given their unselfishly and unstintingly God's work. In their cathedral indeed been exemplified in high degree the Christ-like sense of duty to extend the Kingdom of God on Earth. Their work had been an inestimable blessing, elevating not only the life of the community in which they lived.

As church administrator, Bishop Rix had been a "prince of peace, great brother and wise adviser, imbued with simplicity, humility and sagacity." His death had removed those who were honored today, there the beautiful Christian faith they had passed ahead and, it came time to meet the above, there too would be a son with these beloved gifts.

Following the Bishop's sermon, the act of unveiling was performed by the son of Bishop Rix, the Bishop performing the consecration.

Amateur Show For 'Xmas Fund

TERRACE.—The Kinsmen's Amateur Show, in aid of the Johnson Memorial Community Christmas Tree Fund, drew a large crowd to the Terrace Theatre on Thursday evening last when the amateur entertainment was thoroughly enjoyed. Interspersed with original items of amusement, brain children of the local Kinsmen, the entertainers showed varying degrees of talent in their performances. Three prizes were awarded. First prize went to Lorna Melvin for her outstanding pianoforte solo. The decision of the judges was a tie for second prize between the selections of the Boys' Orchestra and the singing of cowboy songs by Dwayne Berger to his own guitar accompaniment. The audience, however, decided by their applause that Dwayne Berger was the most pleasing. Third prize went to Gerald Toop for his electric guitar playing. Honorable mention was given Bobby Melvin for his boogie woogie pianoforte solo.

The judges were chosen from the audience and were Mrs. C. J. Norrington, Mrs. H. Lynum and T. A. V. Tremblay. Decisions were given according to merit.

A barber shop skit in which Joe Schultz gave lessons in barbering to students Bill Osborne, Oliver Baxter, Frank Rainsford caused a lot of merriment. A grim selection of tools, included a saw, meat cleaver and tin snips to cut off the beard of Robin Edwards, the model, who left the stage minus a considerable quantity of his beard. The Terrace "Hotshots" were, George Grant, George West, Joe Schultz, and, although their sound effects were really good, their music was somewhat off key. Other items included:

Guitar and cowboy songs, Don Gillanders; Local duet, Theresa and Helen Benoit; tap dancing, Margaret Groom; vocal duet, Mrs. Grant and Oliver Baxter; piano accordion, Bob Baxter, and monologue by Lloyd McLeod to a little girl, Beth Baxter.

Egel Sargent and Darrall Collins were the masters of ceremonies. Kin president, W. C. Osborne welcomed the audience and thanked them for their attendance to swell the funds for benefit of the youngsters at Christmas time.

Committees were appointed, or elected, as follows:
Hall—Mark Hill, N. E. Johnson and Godfrey Madsen.
Refreshments—Don Arney, G. Madsen and Gerry Clonni.
Entertainment—Chas. P. Balagno, chairman.
Accommodation and reception of visiting officials—H. R. Heigerson, chairman.

These committees have power to add to their numbers. The nominating committee is composed of Garnett Hull, Bert Morgan and Eddie Clapp, all former members of the Order.
There will be visiting Elks from Smithers and Burns Lake Lodges at the institution including Verne N. Taylor of Burns Lake, district grand exalted ruler of District No. 7.

BECAUSE OF WATER CRISIS—

Terrace Hospital Closed Except For Emergencies

TERRACE.—Because of lack of water supply, Terrace Red Cross Hospital is closed except for emergencies. The local executive of the Canadian Red Cross met in the nurses' lounge on Friday evening to set the date of the annual meeting for Friday, January 19, and was asked by Miss Stewart, assistant supervisor of nurses of Outpost Hospitals, to go around the hospital with her to look into the state of the water supply which has been very poor. On the patients' side there was no water and hardly a cupful was taken from other taps. Miss Stewart said she had instructions from Vancouver to close the hospital, except for

emergency cases, until the water situation becomes good.

The commissioners were asked to inspect the water supply and this was done by village chairman Emil Haugland and village clerk Arthur Harman.

Mr. Haugland stated that he felt that the shortage of water in the hospital and on that hill was caused by the running of the taps all night on the lower levels to prevent freezing. Notices would be placed in town to the effect that the Hospital is being closed except for emergencies during the crisis.

New "RPM" developed by Atomic Energy

DOUBLES THE LIFE OF AUTO ENGINES!

...in the toughest test a motor gets!

New Atomic tool! By equipping test engines with piston rings treated at the Atomic Energy Commission's Oak Ridge Plant, our scientists for the first time measured wear as it happened... found out with Geiger counters exactly why motor oils failed. A New "RPM" was developed!

Cold operation tests, under rigid controls, were used to simulate stop-and-go driving conditions... the toughest kind a motor meets. New "RPM" was compared with the best of conventional motor oils. Results were amazing!

New RPM Motor Oil was shown to double the life of average automobile engines between major overhauls due to lubrication. Laboratory tests proved it. Severe road tests backed it up.
