READY FOR HISTORY-MAKING JOB-Dr. Edwin P. Hubble, dean of U.S. astronomers, is shown putting the unique 48-inch Schmidt photographic telescope through its paces at Palemar, Calif., recently. The four-year scientific project will provide the world with the first definite photo atlas of the heavens in history. The "Big Schmidt" is the teammate of the 20-inch Hale telescope. But whereas the Schmidt is a wide-angle instrument, the Hale is a pin-pointing instrument. It would take the 200incher some 5,000 years to do the job the Schmidt will do in four.

# FORMER RUPERT GIRL MARRIES

Miss Engina Christensen is Bride at Menlo Park, Calif.

A former Prince Rupert girl bouquets of carnations. Christensen, daughter of Mr. and Mrs. H. K. Christiansen who now reside at New Westminster, became the bride of Henry Natenstat at a candlelight wedding ceremony in Holy Trinity Church at Menlo Park California, recently.
