February 16—Kilowatts vs. North

NEW DELHI, India, (C)—As a result of negotiations at the second session of the United Nations conference at Geneva, India is offering concessions to a number of countries, including Canada, on milk, milk products, canned food, chemicals, dyes, certain machinery, radios and a wide range of products.

Canada 'Great Hope' of Europe

EDMONTON—Canada is considered "a great hope" to citizens in distant lands who are living under most trying conditions, Hon. Jas. A. McKinnon, Dominion Minister of Trade, just back from overseas, told a meeting of the Chamber of Commerce.

"They look to us as a bulwark of liberty in the true sense of the word," he declared.

HITCHIN, Hertfordshire, Eng. (C)—A shot at one pheasant cost Sydney Gosling more than \$176. He was convicted of seven offences, one of which was using a gun to kill game on a Sunday.

STOCKHOLM (C)—The world's fastest cargo motorship recently was delivered by a Swedish shipyard to the Swedish Trans-Atlantic Line. She is the 9,000-ton Nimbus, which achieved a speed of 22 1/4 knots on her trial run.

GOVERNMENT LIQUOR ACT NOTICE is hereby given that on the 1st of March 1948 the undersigned Canadian Legion No. 85 intend to apply to the Liquor Control Board for a veterans' club license in respect of the premises situated at NW Corner 4th and Columbia St. Stewart, B. C., 1st floor, upon lands described as Lot No. 13 & 14 and Block 15, section 4, map 1087, Prince Rupert Land Registration District in the Province of British Columbia, to entitle each member on the premises reasonable quantity of liquor for personal consumption on the premises, and entitling the club to purchase liquor from a vendor and sell by the glass the liquor so purchased to its members and guests, for consumption on the club premises in accordance with the provisions of the "GOVERNMENT LIQUOR ACT" and the regulations promulgated thereunder.

DATED this 12th day of January, 1948.

R. H. SHARP,
Secretary,
Canadian Legion B.C.L.
Branch No. 85.

DANCING WITH ENTHUSIASM—The Highland fling gets the greatest tossing around it ever got as a couple of wee measures of Scotch do the dance aboard the Queen Mary in celebration of their reaching this side of the Atlantic. The fling slingers are little Michael Ross, three, and a big sister, Lorraine, four. From be-ribboned Glengarry to gay socks their Scottish outfits are complete and authentic.

WOMEN'S INSTITUTE PLANS TO SEND BUNDLE TO QUEEN'S GIFT FUND

By A. H. NEAVE

The monthly Women's Institute Meeting was held at Mrs. Harold Neave's home at the Landing on Thursday afternoon. Mrs. Reginald Partington was hostess. There were seven members present.

Mrs. Partington opened the meeting with a Bible reading. Mrs. Evan Nobles, secretary, read the correspondence among which was the acknowledgement of the parcel sent before Christmas to the Bethnal Green Hospital. It was decided to send a parcel to Princess Elizabeth's Gift Fund. The contents will be distributed amongst needy London families.

Two small children have moved from the cottage on the Calder farm to Grassy Plains, where Harold will be working with Hawley's Mill.

G. B. Stanton was taken ill on Sunday evening and rushed to Burns Lake Hospital that night. Latest report is that he is still very ill with a stomach ailment. Mrs. Stanton walked to the J-P Ranch when she realized Mr. Stanton's condition, and Ray Schroder rode down to the Landing to get a taxi to take him to the hospital.

Fred Lindsay left for Quesnel on Thursday. Mrs. Lindsay will follow later. They expect to make their home there. Although they have only been at the Landing for a few months they will be missed by their many friends. Mrs. Lindsay has painted several beautiful landscapes and some portraits since she came in the Fall, and much enjoyed the time she spent here.

Mr. and Mrs. Gordon and their

TIMBER SALE X-43276

**Consumption of
Beans Increases**

OTTAWA—Canadians appear to be turning into a nation of bean-eaters, perhaps as a result of the rising cost of living. During July, August and September of last year the consumption of baked beans totalled 11,278,295 pounds compared with 771,015 during the corresponding period in 1946.
