

FOOTBALL WAS DRAW

President's Team 2, Vice-President's Team 2

In the second of the pre-season football games between the President's and the Vice-president's teams a well fought contest on Sunday ended in a two goal draw. Once again there was a good turnout of spectators and the display of football was even better than a week ago.

The president's team was short-handed at the start but their nine men put up a fighting game. Both teams showed some neat play and Krause was given a handful when Darrow Gomez drove a free kick hard into the goal but the ball was scraped away. Owens crossed a beauty from a corner kick that Cornwell headed away. Billy Sunberg blocked a hard drive and Pat Wilson had hard luck when his shot hit the up-

right and rebounded into play. Cornwell set up his forwards nicely but Dunbar cleared. From a throw-in Pat Wilson had a good opening but shot past. Eby was clever. Charlie Sunberg made a nice run and centred to Pat Wilson who headed the ball down and then drove it through for a clever goal. Boulter had to save again from Sunberg. Yelland made a good run but Hebb cleared mightily. Ward hit the corner of the bar and up-right from Wilson's nicely gauged pass. Alexander beat his man and fed his forwards well. Morgan and McKay came on for the president's team and Morgan made his presence felt right away. Krause saved a hot attack and his defence was in a bad tangle until John Wilson picked up a clearance and scored with a good shot to make the teams level. Shortly after, following up his forwards he got the ball again and his long shut under the bar gave his team the lead 2 to 1. Yelland and Chuck Sunberg were combining smartly. Morgan fed

Boulter gave sound service in goal. Dunbar and Hebb were safe with both kicking strongly. Darrow Gomez gave a sterling display. John Wilson played a hard game and topped the scorers with two well taken goals. This defence did a grand job when the team was short-handed. TWINS' Mother Says

"NEOLITE WAS AN EASY WINNER!"

At Goodyear's request, Mrs. S. M. Marrs, 139 Boyton Rd., Toronto, made the "Twin-Test". Bill (left) had NEOLITE soles; Bob wore shoes with leather soles. Photograph below shows results.

The two active Marrs youngsters romped and played together all day long. Like other normal boys, they gave their shoes plenty of punishment—until Bob's leather-soled shoes had holes in them. But not Bill's! His NEOLITE-soled shoes still had plenty of wear left in them after the test! Yes, it's a proven fact—NEOLITE soles far outwear the toughest leather.

Start cutting family new shoe and repair bills with NEOLITE soles—right now! They're waterproof, healthful, gloriously comfortable!

Unretouched photograph taken after the twin-test shows holes worn in the leather soles of Bob's shoes.

Bill's shoes got just the same amount of wear as Bob's, but his NEOLITE soles are still in good condition.
