

Jockeys Vie For Honors

MIAMI, Florida (AP)—Joe Calumone registered two winners in eight mounts at Tropical Park here yesterday, maintaining a one-victory margin over Willie Shoemaker for leading jockey honors in 1950. Shoemaker made three winners at the Fair Grounds in New Orleans.

Both Calumone and Shoemaker are trying to break an all-time record of 365 winners set in 1949 by Walter Miller.

Ten Enlist In Army Here

The five recruits sent from 128 Heavy Anti-Aircraft Battery, R.C.A., this week bring the number of boys from Prince Rupert who have joined the active army in the past two months to ten.

The campaign is progressing favorably with one or two at a time expressing their desire to join the active force.

Meanwhile the reserve battery is growing slowly. There have been several new recruits recently. With the army recently expanded, it is expected more interest will be shown in joining the reserve.

Blackwood On Bridge

By Esley Blockwood

There are several angles on overcalling illustrated by today's deal. First, bridge humans entered into Mr. Dale's decision to bid two clubs over the opening diamond bid. He knew that Mr. Muzzy, sitting at his left, almost never doubts for a penalty at the lower ranges of bidding. No, Muzzy likes to

split until his opponents get to six or seven-odd at which time he doubts to what he calls "general principles." None vulnerable. West dealer.

North (Mr. Muzzy)

D-10 9 8 7 2

East (Mr. Dale)

D-4 1 1 1
C-4 1 1 1

for the player on your left. He still has one-trick or one-quad bids open to him. And if he was planning to respond with one diamond, he will simply double you.

In the play of today's deal, Mr. Muzzy got off to a bad opening lead that eventually cost him side a trick. Holding three to the jack in his partner's opening diamond suit, he led the jack. Good players almost always lead the lowest card from this combination. Mr. Abel won with the king of diamonds and returned the four of hearts. Mr. Dale went right up with the ace. Now he played the king of clubs and followed with the seven of clubs to dummy's ace.

The bidding:

West South East South
Pass Pass 1D 1C
Pass Pass Pass
C-2 2 2 2 2 2

Mr. Dale realized he didn't have any too much to bid at the two-club and, if Mr. Muzzy had been at his left, he would have passed.

Another point—see how the two-club call shows out the possibility of West responding at the one range and makes it practically impossible for East and West to reach their best contract of two or three spades. If your thought in overcalling is to interfere with opponents' bidding and your suit is just above that of the opening bid, then you may as well save your breath. For example, if the opening bid is one club and you overcall with one diamond, you are not shutting out any fields.

West had dummy's ten of diamonds. Mr. Abel covered with the ace and Mr. Dale ruffed with the eight of clubs. The cardly protected three of clubs was now played and won with dummy's six spot. On the lead of dummy's three good diamonds, declarer's losing hearts were discarded. Mr. Dale had to concede two spade tricks at the end but made four-odd for a very satisfactory result.

Looking Ahead

with JOHN T. FOWLE

"Better late than never" is a saying which does not apply to life insurance. The often late comes never. If you delay in applying for the proper amount of assurance protection you may ultimately find you have fallen below the required medical standards. Each day medical examiners are obliged to turn down applications for insurance from people whose need for it is great. Many of these disappointed people could have qualified a year or so earlier but the development of a health impairment makes them now uninsurable.

Statistically speaking, 20% of men are already uninsurable when they reach the age of forty. Keep this figure in mind. Don't be too late applying for your life insurance. Call me today!
