ENTHUSIASM FOR DRAMA FESTIVAL

Pupils, teachers, choir leaders, aspiring actors and directors have been industriously working for the past six weeks to prepare their contributions for the Prince Rupert and District Music and Drama Festival being held in the Civic Centre this week.

E. E. Hyndman, chairman of the festival committee, reported at an executive meeting Friday night that great enthusiasm is being shown by the school children. Although tickets have only been on sale for two days, S. A. Cheeseman of the Borden Street School teaching staff, said the demand for them was extremely encouraging.

A. G. Boas will be in charge of all ticket sales, acting as a co-ordinator for the various selling groups. Members of the Business and Professional Women's Club will be invited to assist as door attendants during the performances.

The festival is sponsored by the Parent-Teachers' Council and members of the Parent-Teachers' Associations are making arrangements to billet participants from outside points.

Through the School and Community Branch of the Department of Education, under whose auspices the festival was organized, arrangements have been made for Ross A. Lort, C.D.A., to be present as adjudicator.

Miss Frances Cross sailed Saturday on the Catala for a holiday trip to Vancouver.

SUNDAY SCHOOL ENJOYS PICNIC

Intermediate Classes of United Church Visits Digby Island

Twenty-five members of the Intermediate Sunday School of the First United Church packed their lunches, climbed into hiking clothes and set out at noon Saturday for their annual picnic.

Under the leadership of Rev. R. A. Wilson and Esther Harrison the party walked to the Co-operative fish plant where they were met by a boat and ferried to the wireless dock. On the beach they were joined by another group, including Francis Stone, one of the teachers, who had reached the rendezvous direct by boat from Prince Rupert.

During the afternoon softball and other games were enjoyed on the sands and those who did not care for this type of sport explored the area, gathered shells and investigated the sealife left by the receding tide. After their second picnic meal the group left for home at 7 p.m.
