HYPNOTIZES HEN INTO LAYING EGG, OR SO HE SAYS
All you need is some ham, a chicken and the hypnotic eye to whip up a platter of ham and eggs—that is if you can emulate the technique of Searhaby, French magician, who says he can hypnotize a hen into laying an egg whenever he feels like it. Searhaby shows how he does it here. The baffled Tiddy doesn't seem to know what to make of the whole thing. If you should decide to try this, pick a weak-willed chicken, or the tables might be turned and you lay the egg. (48)

The call that wakes a nation's heart to action

Somewhere in Canada, a tiny victim of disaster clings tightly to the comforting arms of a Red Cross worker... In a Red Cross Outpost Hospital in the wilderness, a desperately injured trapper is fighting for life... In a modest room in a great city, the wife of a hospitalized war veteran prays for the joyous moment when she'll see him again in the homelike Red Cross Veterans' Lodge. They are depending on you to hear the call of the Canadian Red Cross... and answer generously, from your heart. \$5,000,000 is needed this year to ease the pain, to lighten the sorrow, to heal the ills and wounds of the less fortunate.

Your gift is needed to extend the life-saving Red Cross Free Blood Transfusion Service across the Dominion... to maintain the Outpost Hospitals... to support the Veterans' Services... to widen the activities of the Red Cross Swimming and Water Safety Programmes, of the First Aid, Home-maker and Nursing Services, of Women's Work Activities, and many other Red Cross services. You have a part to play in the work of the Red Cross... and only you can play it. Give from your heart... give all you can!

This year the need is urgent for \$5,000,000 to carry out the work you expect your Red Cross to do.
