W. S. Arnell, Indian Commissioner for British Columbia, arrived in the city yesterday on the Prince George from Vancouver to take part in a sitting of the Metlakatla enfranchisement board sitting here. Other members of the board are Indian Superintendent F. E. Anfield and Peter Leighton of Metlakatla.

This month's regular meeting of the Business and Professional Women's Club was held Tuesday evening at the home of Miss Frances Partridge following a dinner in the Civic Centre Dining Room. A report on the Donna Grescoe Concert was read. The forthcoming visit to this city of the Provincial President was discussed and plans were made for her entertainment while here. Following the business session a social hour was enjoyed.

CRUSHED LEG IN MINE WORK

James Grieves, flown here from Premier Mine to receive treatment at Prince Rupert General Hospital, received a badly fractured right leg above the knee when he was crushed against the wall of a tunnel while riding on a mine locomotive which was carrying a quantity of material for rehabilitating the gold mine.

A length of metal rod apparently caught on the side of the tunnel, crushing Grieves' leg as the locomotive continued in motion.

City ambulance met the Q.C. A. plane at Seal Cove air base taking the injured man to hospital immediately.

The Premier mine is in process of re-opening after being inactive for more than a year as a result of a dispute between the miners and the company. Grieves had been employed at the mine 11 days. He had been at Aero Timber Camp, Cymshewa Inlet, for a short time before going to the mine.

KEEPING POSTED ON HIS FUTURE—With the deer season now in full swing in many parts of Canada this buck appears to be making sure that modern Daniel Boones are obeying the game rules when they take a shot at him. He and many of his pals will probably be "laying low" somewhere until things "cool off."

Members of the Soroptimist Club, under their president, Miss Muriel Vance, had a busy evening at the Nurses' Home of the Prince Rupert General Hospital Monday folding and enveloping Christmas Seals for the British Columbia Tuberculosis Society. Distribution of the seals is expected to get under way about November 15. Refreshments were served to the gathering by Miss P. M. Mooney, R.N.

"My Children Love Their 'Cereal and Carnation'"

says Mrs. Arthur Lavecq, Toronto

If you have children who balk at finishing up their cereal every morning—try giving them undiluted Carnation Milk to pour on it. Maybe you'll be surprised. Mrs. Arthur Lavecq of Toronto has six children who were all Carnation babies, and she finds the morning cereal no problem with Carnation in the cream jug.

Carnation is pure, whole, cows' milk, evaporated to double richness. Homogenization and heat-refinement make it creamy smooth and richer tasting. And you can keep Carnation on hand without refrigeration. Join the millions who use Carnation Milk regularly. And remember that Carnation provides all the food values of pasteurized whole milk plus 400 units of "sunshine" vitamin D in every pint you use.
