TERRACE CIVIC CENTRE ACTIVE

TERRACE—There was an excellent turnout of directors and committee members at a Civic Centre directorate meeting held in the Civic Centre clubroom on Thursday evening. Dudley G. Little presided. It was reported that the various activities and the canteen were all functioning smoothly and the financial position was good. Junior basketball teams were being sponsored by a local firm and the Kinsmen's Club, one being trained by Mel Peeke Vout, the other by Joe Schultzie, and the first of league games had been played last Saturday. Girls' teams were also in training and were showing great promise although coaches were needed for them.

As the Civic Centre already had in their possession a boxing ring, a set of gloves would be purchased immediately and the services of a trainer for the boys secured.

Director Yoxall later stated that he was endeavouring to arrange junior bowling leagues for Saturday afternoons. With the help of Mrs. Art Kennedy, Mrs. Campbell was getting started with her children's recreational program and a piano had now been purchased and installed in the building.

Badminton was being well patronized as was roller skating and bowling and the revenue from the bowling shoes had almost covered the outlay in purchasing them.

It was reiterated by George McAdams that the bowling alleys had been purchased for the sole intention of bringing in revenue needed to convert the building into a first class Civic Centre with an up-to-date gymnasium, auditorium and dance floor as well as lounge rooms etc.

The use of the ping pong table was to be confined to members only, with the players paying a small deposit at the beginning of a game which would be returned to him at the end, if there were no damage done to any of the equipment during the game.

The individual membership fees of \$2 per year would continue but, a family membership ticket of \$5 yearly would be on sale and would include, besides the parents, their children up to 16 years of age. The \$5 fee for clubs and organizations would remain the same and all club memberships expire the day after the annual meeting to be held in March.

Mr. Yoxall and Mr. McAdam will work out a complete schedule of rentals to organizations for the use of the building and these will be put into force immediately. Good progress had been made by the Choral and Dramatic Committee, as reported by Mrs. Cheshier and they were hoping to stage a play sometime in March. A hearty vote of thanks was tendered to Mrs. Dudley G. Little and Mrs. Peeke Vout who arranged a tea and sale of homecooking on Dec. 20th which the community well supported and, as a result, \$67.39 was handed over to the Civic Centre treasurer, Mr. C. J. Norrington.

D. Little's suggestion that 20 people each lend ten dollars to the organization for the purchase of a 35 watt public address system with a record player was well received and eleven members immediately offered their contributions. Mr. McAdam offered to send a night letter ordering it so that the Civic Centre is now assured of a much needed public address system.

TERRACE RED CROSS BUSY

Spurred by New Hospital, is Doing Fine Work

TERRACE—The annual meeting of the Red Cross Society in Terrace was held in the Red Cross rooms on Wednesday evening with R. M. Corey presiding. There was a fair attendance. Reports were presented and it was stated that there were about 300 members and the amount of \$781.00 was collected in the membership drive last March.

In his report the president stated that the Red Cross outpost hospital at Terrace had been completed same time ago and was now expected to be opened in March.

Mrs. George Dover chairman of the Work Committee, gave a detailed report of the year's work which showed how very active the organization has been during the past year. From January to June ten complete layettes as well as socks, mittens and sweaters, were made and shipped out before the summer recess. Among these were some very attractive little girls' dresses made by Mrs. Alger and her church helpers.

In June the local branch was asked by Miss Jack, supervisor of Nurses and furnishings for Out-post hospitals, if they would make the curtains and hangings for the local hospital as well as certain supplies such as crib sheets, bassinette sheets, dresser covers, bed-side table covers etc. This was no light task as there are about eighty windows with two curtains to each window. This work was started in September and, until it was finished, the Red Cross rooms were open on Friday afternoons as well as the usual Tuesday afternoons, with help coming from ladies who had hitherto not been active in Red Cross work.

Mrs. Elwood Brooks supervised a group of girls in the making of dressings for the blood donor clinic and for which there is a constant demand.

A room has been set aside in the new hospital for Red Cross work which will be carried on under ideal conditions, and the year's program will include sewing and mending for the hospital. Mrs. Dover asked that more workers rally around this year and show appreciation of the Canadian Red Cross in establishing here such a fine hospital as well as showing interest in, and sympathy for the helpless victims of the war. Finished articles shipped during 1947 included 38 babies' nightgowns; 30 babies' vests; 10 babies' blankets; 10 babies' jackets; 10 babies' bath towels; 10 babies' face cloths; 10 babies' bonnets; 20 babies' booties; 140 babies' diapers; 20 pairs children's socks; 47 pairs boys' socks; 6 sweaters; 5 pairs mittens; 7 girls' dresses; 18 handkerchiefs; 1 quilt; 2500 blood clinic dressings.
