FRANCOIS LAKE

Mrs. Partington has been ill with a sharp attack of pleurisy, but is able to do her own housework again.

Lee Cooper sleeps in a caboose amongst his sheep now during Customers stick like best of department in keeping to the morning when he got up early he opened the door and looked out to see a huge grey wolf playing with a little lamb which had died and had been placed on a pile of brush in the bushes. She was lying down like a dog and pawing and tossing the lamb about. Lee took down his rifle and shot, the bullet passing side her ear. The wolf collapsed and didn't move. It is most unusual for anyone to shoot a female wolf as they seem to stay at home more than the males.

> Our assistant ranger this year Paul Piche and he is living in the cottage where Bob Benson lived last year.

Dave Larkey has moved with his dog Pilot into the Robert Jeffrey cottage. He used to live at Maple Bay and has come to the Landing for the fishing, bringing his own boat with him.

John Keefe has left for Smithers where he will be assistant forest ranger. He will take his motor-bike so that he can come home occasionally.

Fred Lindsay will be on the Verdun Lookout this season, and is staying at the Landing at present. Mrs. Lindsay will follow shortly, and will be with Fred at the lookout, where she expects to do several paintings.

John Nash came down to the Landing on Saturday afternoon with a new canoe which he has built himself, complete with sail. The residents all walked down to see him start off home with the sail and a good breeze.

The school children have sent \$50 to the bank in Burns Lake to be forwarded to the European school children. are only twenty-seven children attending school and the eldest is fourteen so they are to be congratulated on their efforts. Most of the money was raised by their sale of work, and some was donated by them.
