Annual Diamond Classic Is Due at End of Week

The great diamond battle will be on Saturday as Ketchikan comes to Prince Rupert to play the local boys in the annual baseball classic. It's a rough schedule planned with six games in four days.

The old feud between Jack Lindsay and Harry Ludwison of Ketchikan will be revived and Harry

has asked that they pitch against each other in the series opener Saturday night and possibly again on the Fourth of July at Ketchikan. He reports the Ketchikan team is the strongest it ever has been.

Cliff Dahl will be managing the local boys and playing short stop as well. He will also be a relief pitcher. Other team members are:

Catchers—Morgan and Abel.
First base—Dunbar and Hawryluk.
Second base—Jack Ewart.
Third base—Ted Arney.
Left field—Nick Pavlikis.
Centre field—Stan Cornwall.
Right field—Miner Simundson.
Pitchers—R. Letourneau, J. Lindsay, Rosedale, Robinson, Sharpe, Lambie.

Utility—Don Hartwig and Don Scherk.

Umpires—Nolan, Letourneau and Kerr.

Association President Art Murray reports that there is a C.P.R. boat sailing for Ketchikan July 3 and that it will get passengers there in time to take in the game there in the evening. There will be limited accommodation aboard the chartered boat bringing the team back.

Hurlers' Duel In Softball

A pitching duel between Lahti of North Star and Olson of Firemen, provided local softball fans with some first class ball last night, both turning in stellar performances on the mound.

The teams were both a bit weak in the field and off at the bat but the Firemen got four runs in the second inning and one in the last while the North Stars got two in the fourth and two in the last to bring them out on the short end of a 5 to 4 score. This gave the Firemen their second win of the season.

Tonight's Junior game between Sluggers and Scouts in the first game and Annunciation vs. Hawks in the second game should provide some action packed ball games at the junior level.

Limberlost Lodge Open For Season

MASSET — Limberlost Lodge scenic holiday resort on the North Beach of Graham Island, seven miles from here, is expecting a goodly number of visitors from Prince Rupert and elsewhere during the forthcoming holiday season. Guests have already started arriving although not in too large numbers as yet. The lodge, located on the famous Sangan River, opened at the end of the week with guests from Prince Rupert among those present. They arrived Saturday on the Camosun.

Football—Battery and Motors Draw

Teams Battle to a One-All Tie—G. M. Lucky

Last evening's football game in the North Star league competition resulted in another draw when the General Motors and Heavy Battery played to a one-all tie. The Motors were rather lucky to come out on even terms as the Gunners had more chances but each scored a goal and so the league standings are unchanged.

Motors had a grand chance but Pat Wilson missed an open goal. Then Ford's drive clipped the outside of the upright from White's pass. Battery got away and Pavlikis shot wide. Then Magee hit the upright with a hard drive that Nisyok didn't attempt to stop. Pat Wilson missed another chance. Wellens stopped Pavlikis and Billy Gomez crossed a beauty that Boulter caught. Wellens' free went close as did his corner kick. Dunbar dispossessed Olson after the latter's good run. Ferguson cleared twice. D. Gomez was wide with a drive. Veitch, Pavlikis and Cameron showed clever combination but Boulter saved. John Wilson blocked Pavlikis.

In the second half Olson made a fine run but Mazzoni cleared. Battery pressed but Wellens saved and then Large at the expense of a corner kick. Pat Wilson got across a fine centre but no one was up. Dunbar was good and John Wilson headed away Gomez' dangerous cross. Cameron was dangerous. Nisyok saved from Pat Wilson. Boulter just barely saved from Cameron and then Wellens cleared off the goal line. Ford broke away and from a scramble Price opened the score with a hard drive to give the Motors the lead against the run of play. Wellens just stopped Pavlikis who later shot past. Cameron hit the upright with Boulter beaten. Following a corner partly cleared by Boulter, Veitch equalized. Pavlikis was through but shot high and full time found the Battery pressing but unable to break the tie.

Teams:
Heavy Battery—Nisyok; Dunbar, Ferguson, Mazzoni, Gunnano, D. Gomez, Cameron, Veitch, Pavlikis, Vuckovich, B. Gomez, A. Gomez.

General Motors—Boulter, John Wilson, Wellens, Magee, Olson Large, Postuk, Pat Wilson, Price, Ford, Whyte.

Referee—S. P. Woodside; linesmen—Angus MacDonald, Percy Bond.

COMMENTS—Nisyok kept a good goal, Dunbar was fast and sure in tackling with Ferguson defending dourly. Mazzoni turned in another good game kicking strongly and Gunnano was always a hard trier. D. Gomez did not show up as much as usual. Pavlikis was always a threat and with Veitch and Cameron, showed good combination. Vuckovich was fair and B. Gomez crossed the ball dangerously. The Battery had the better forward line.

Boulter again showed good form and was fast and sure. Wellens was a standout with John Wilson playing a stubborn defence game with an attacking move at times. Olson was very effective at centre half with Magee doing a fair stint on the wing. Large was quite a stumbling block and is improving. Ford was easily the best forward, fast and tricky. He dropped back to help his defence. Postuk was un-

derful in the defence. Price was a hard trier. D. Gomez did not show up as much as usual. Pavlikis was always a threat and with Veitch and Cameron, showed good combination. Vuckovich was fair and B. Gomez crossed the ball dangerously. The Battery had the better forward line.

certain at the start but improved and was a serious threat. Pat Wilson was fair. Whyte was a trier. Price got the only Motors goal but is slow.

The game was hard fought with tempers a trifle on edge at times and the Battery were the chief objectors. Players should learn to take the referee's decisions. It is fortunate that the game has an efficient and willing referee as Sid Woodside and he is entitled to the support of all players even when his decisions do not please them. He is not there to please them. He gives decisions as he sees the play.

Nothing but the best for miners — especially for those with hungry panging stomachs yearning for thick juicy steaks onions and catsup. It sounds appetizing and the cost — \$90 and a paltry 22 cents.

The above price is what the manager of a small mine on the side of a desolate snow covered mountain near Stewart shell out last week for 18 T-bone steaks and 15 pounds of round steak. In addition, Queen Charlotte Airlines and Pilot Norman Gernym entered the relishing picture by dropping the goods from a plane.

It was a case of meat going up coming down.
