

Walter D. S. Longwill left by today's plane for a three weeks' holiday trip to Vancouver and elsewhere in the south.

Mr. and Mrs. Neville Gerrard are sailing tomorrow night on the Camosun for a trip to Vancouver.

Captain William C. Poulton, divisional commander of the Salvation Army, left on last evening's train for a trip to the interior. He will be away about a week and will visit corps and schools at Prince George, Hazelton, Glen Vowell, Cedarvale and Skeena Crossing.

Maurice Scott arrived on yesterday afternoon's plane from Vancouver for a visit here with his brother-in-law and sister, Dr. and Mrs. L. M. Greene.

A WEEKLY INFORMATION SERVICE

MONTREAL, Nov. 17th. — When a woman says she just loves to bake you can be sure she's a good cook! You can be sure, too, that her success largely depends on the best ingredients. So I'm not at all surprised when these women tell me they always bake with SWANS DOWN CAKE FLOUR. Made from choicest soft winter wheat... sifted over and over until 27 times as fine as ordinary flour, Swans Down makes every cake light, even-textured, exquisitely moist and tender.

Have You Seen that wonderful new electric "Kettle with legs"? Called "RADIANT 3 MINUTE KETTLE", it boils anything there's a wall-plug handy—anytime you feel like a chery cup of tea! Its heating unit is well-shielded and its "legs" protect the surface of your furniture—so boil it in your living room—your bedroom—your kitchen or office. It's absolutely safe! It shuts off automatically by thermostatic control—so it never boils dry. AND it shuts off at once if it's plugged in without water. It's economical—lasts a lifetime and saves power because it heats faster! In less than three minutes you can boil enough water for four cups of tea!

Are You A "Hi-And-Miss" Christmas Shopper? Or do you make a well-thought-out list of the presents you're going to give? Well—here's a gift for the top of your list... something that man-in-your-life will really appreciate... A GENUINE RUBBERSET SHAVING BRUSH! Every man enjoys the feeling of satisfaction that a really smooth shave gives him! And a smoother shave is easier to get when he uses a genuine "Rubberset" shaving brush. Yes, a Rubberset Shaving Brush is the kind of Christmas gift your man will enjoy owning and using for years to come. You can't buy a better present for him!... In bristle, nylon or leather—\$1.00 to \$15.00 at all drug and department stores.

In bristle, nylon or leather—\$1.00 to \$15.00 at all drug and department stores.

That Man Of Yours will be grateful for gift suggestions soon, and now isn't a bit too early to start! For instance, there's that new FRIGIDAIRE REFRIGERATOR you've dreamed about for so many Christmases. This Christmas morning it can take its wonderful place in your kitchen, if he sees a Frigidaire Dealer soon. A Frigidaire Frigidaire Meter-Mixer, is something to intrigue a man. It's the simplest, cold-making mechanism ever built. It has only two moving parts. Never needs oiling or any attention. And mention the seeds of ice cubes that pop out instantly from Quickcube trays, the huge quantities of delicious frozen foods you could keep on hand, and the out-of-this-world frozen desserts you could make. Yes, start your Christmas hunting early.

There's An Old Saying, that if a woman tells her age—she'll tell anything! Whether or not this is true, let's confess most of us like to keep folks guessing about our ages. And a fresh, youthful complexion will keep them guessing for a long, long time! That's why I recommend regular use of WOODBURY FACIAL SOAP! It will help keep your skin smooth and young-looking. For Woodbury Soap is extra-mild, kitten-soft! It actually contains a skin-smoothing ingredient of fine face creams! You'll never, never have "skin-burn" when you use this gentle soap—skin-burn is that roughened condition of skin robbed of its softening oils. So, for that youthful complexion—make a daily "beauty habit" of Woodbury Soap!

Here's A Recipe Folder that will make you feel like an expert! Such wonderful recipes in Jane Ashley's BENSON'S CORN STARCH recipe folder! And it's yours for the asking! Simply write to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q.—for this folder written especially for you—by Jane Ashley of Canada Star's Home Service Department. When you're feeling like something extra-special for dinner—you'll want to try her "Eggs Florentine" (with spinach or broccoli). And—m-m-m-m!—that delicious Jane Ashley "Chicken Curry Sauce". But I'll let you discover these wonderful Benson's recipes for yourself! Just write to me!

"Let's Get Acquainted" is a good resolution for you and baby to make about HEINZ STRAINED BABY FOODS! One reader writes:—"I feel as though I've made a brand new discovery, though I'm sure thousands of mothers have discovered how good Heinz Baby Foods are! So easy to prepare—so tasty—so easy for my baby to digest! Now he really behaves himself at meal times!... Yes, all of Heinz Baby Foods are so exactly and skillfully cooked to baby-ready digestibility—including the two new Baby Cereals that have become such favourites with mothers and babies all across Canada!

Bo-Me-Hi will go all out tonight to stop Co-op in their quest for the 1950 Senior League Title. A win for the School would bring them up to a first place tie with Co-op at three wins and two losses each. However a loss for Bo-Me-Hi would give Co-op a lead of four wins to one loss which would be mighty hard to overcome.

Co-op isn't taking any chances on losing out at this end of the season this time. They are strengthening their team and have signed Sonny Beynon, although rumor has it that he will not play tonight's game. It is our guess that several more players will come out of retirement before winter is over.

Other games on tonight's schedule include two Junior fixtures Stones vs Scouts and Rupert Hotel vs Sea Cadets. Rupert Hotel is undefeated this season and have five wins. Sea Cadets hope to break their bad luck streak which has netted them five losses to date.

In the Intermediate division the league-leading Merchants will play Fashion who can tie with Merchants on Friday night.

Here are the League standings to date:

A home of our own for \$700-cash & 6

FOUND interesting, doesn't it? You see John works for Cominco*. The Company has a big mine at Kimberley and makes metals and fertilizers at Trail—we live at Trail.

John started to say, Cominco announced a new plan last Christmas whereby an employee would put up a cash payment equal to 10% of the cost of the house he proposed building, the company would loan him the rest, up to a limit of \$7,000.

John and I had a spot picked out—a nice lot in one of the new subdivisions—cost \$600. We'd been working on house plans for a year or two and finally had bids on the cutest place for \$6,400.

So—the house plus lot came to \$7,000, and 10% of \$7,000 equals \$700.

That's our down payment with 15 years to pay the balance. Why, we can pay that off just like rent. Believe me, we can hardly wait.
