public road.

Mr. Boas' advice on the matter was asked for and he stated that the sewerage line comes New Hardware under the same ruling as the Mon Arrives water line. Rates are charged and property owners must pay! L. W. Lefler, local representthe set rate if it passes the prop- ative for the past three years of erty whether connected to it or the Vancouver wholesale hardno. If any residents wanted a ware concern of Marshall-Wells sewer line they would be allowed Co., shas been transferred to to pay for it and then be re-im- Chilliwack. His succesor, Wilford bursed over a period of three Caron, arrived in the city by years with rates deducted.

will be worked out and contracts drawn up before the petition goes before the residents.

In the meantime, 30 householders are using one line which goes as far as the former army engineers' huts on Keith Road. The other line is not in use and is being cleaned out. Mr. Boas is superintending the work and the septic tank east of the civic centre, near the Skeena River is being cleaned of rocks and debris and a new cover for it will be

Mr. Boas also stated that certain samples of water had been sent south by Dr. Black and will be analyzed so that the health of the community will be safeguarded as far as possible.

Five new street lamps are to be installed in the near future. A large one at the railway crossing on Kalum Street, one near the Columbia Cellulose, possibly at the corner of Park Avenue and Appsley Street, two on Greig Avenue between the Terrace and Philbert Hotels, and one at the east end of Corey road

Insurance on office equipment is to be increased from \$300 to \$2,000 and the village clerk was requested to look into the possibility of having a floater policy to cover it and the contents of the shed behind the office.

D. G. Little reported that W. E. Bottomley had been consulted about the drainage ditch west of Kalum Road, also about highway signs along Lakelse Avenue and through the town and he had been assured of the district engineer's co-operation in these maners insomuch that they will " immediate atten-

N. Kirkaldy was congratulated on his efforts to better the sidewalks in town. He had made an experiment on the sidewalk east of Kalum Street on the south side of Lazelle Avenue and it had proved highly satisfactory. An inspection of the sidewalk was made by the commissioners at the close of the meeting. Bitumuls is used and it gives a hard black finish. Mixed like cement, the cost is about 50% cheaper. The results encourage the com-
