Co-operation of City Is Sought

With a view to enlisting full co-operative response from the city council in its undertakings, the Prince Rupert Chamber of Commerce will send President L. M. Felsenthal, Secretary P. H. Linzey and W. F. Stone with the olive branch to the next meeting of the council.

The Chamber will have two specific requests:

1. That the city council take more active steps towards obtaining Central Mortgage and Housing Corporation assistance for house building in Prince Rupert.
2. That the city council take steps to have the provincial government live up to its responsibilities in improving and maintaining the arterial highway from the city limits to the centre of the city.

As for the housing problem, view was expressed that the city should take aggressive steps to ascertain the need here and the possibilities of meeting it. The growing seriousness of the lack of housing here was emphasized.

Strong comment was heard as to the deplorable condition of the highway entrance to Prince Rupert. Dr. L. M. Greene urged an immediate reconstruction program. J. D. McRae, M.L.A., said the city had already been asked by the provincial government to carry out work on the arterial highway for which work the government was prepared to pay. As for the government, the plan was to backstop the road all the way in from Port Edward as soon as it was in shape for that work. Concensus was that, as far as the arterial highway was concerned, the method of approach should be through the city council.

FIERY PROTEST—The home of Philip Peveroff, a Doukhobor, goes up in flames set by the radical Sons of Freedom branch of the religious sect. Ten houses were destroyed in Krestova in the Kootenay district of southeastern British Columbia in fire raids beginning April 19. Raiders made no attempt to conceal their identities and 80 are in jail. Fires and public disrobing are two of the methods used by the fanatics to protest "man-made" laws. (CP Photo)

Group Insurance Being Developed

Active support of sixty percent of the members of the Prince Rupert Chamber of Commerce in the way of getting their employees covered will be required if a group insurance program under the aegis of the Chamber is to become effective. With this end in view a special committee of the Chamber is to continue work on the project which was approved in principle by the Chamber at last night's meeting.

The members of the Chamber will be canvassed by the committee which consists of T. N. Youngs and Edward Mussellam.

A plan of the Great West Life Assurance Co. is being worked on. It would provide for maximum weekly premiums of 57c for single employees and 75c for those with dependents on the basis of employees earning \$50 a week or more. Benefits would be \$1000 in case of death and an additional \$1000 in event of accidental death or total disability and \$25 per week in case of illness. No medical examinations would be involved nor would there be any age limit. The premiums would be paid both by employers and employees.

STILL DRIVING FOR AIR FIELD

T. N. Youngs, chairman of the air transportation committee of the Prince Rupert Chamber of Commerce, reported briefly at last night's meeting of the Chamber on the progress of the campaign for the establishment of an air field at Tugwell Islet. He said that W. R. May of Canadian Pacific Air Lines expected

FINDS WAY TO AVOID HARSH LAXATIVES

"The harsh laxatives I used to take are on a forgotten shelf since I began eating KELLOGG'S ALL-BRAN regularly. This good cereal has done wonders for me!" This from Iris M. Wetli, 35 Hunt Club Drive, Toronto 13, Ontario. One of many unsolicited letters. Are you suffering from constipation due to lack of bulk in the diet? Try this for lasting relief: Eat an ounce of crispy ALL-BRAN daily, drink plenty of water. If not completely satisfied with results after 10 days, send empty box to Kellogg's, London, Ont.
