## Decision In Ward Case

WASHINGTON (C)—The United States received an indirect report today that the Chinese Communist People's Court expects to reach a final decision "in a matter of days" on the case of Consul General Angus Ward. The report came from a Chinese newspaper. It was

picked up from a Mukden radio broadcast yesterday, the Department of State said. There has been no direct word from Ward himself since he and four members of his consulate staff at Mukden were jailed October 24, ostensibly for beating up a Chinese Communist.

W. C. Osborne of Terrace arrived in the city this morning by car and sailed on the Coquitlam on a business trip to Vancouver.

## Thief Enters Downtown Store

A sneak thief, who smashed a window at the rear of McRae Bros. store on Third Avenue during the night, got \$30 for his efforts in the second petty downtown robbery in little more than a week.

Circumstances surrounding last night's and at the Daily News ten days ago when a rear

window also was smashed to obtain entry. A negligible amount of silver was taken in that one.

Last night's theft was discovered about 9:45 when McRae's bookkeeping office on the mezzanine floor was opened for business.

J. D. McRae reported to police that about \$15 in pennies and an equal amount in silver was missing.

Corporal A. H. Taylor and Constables Jack White immediately began an investigation.

Mr. and Mrs. Jack Bunting, who were recently married in the south, are at present visiting the former's parents, Mr. and Mrs. W. Bunting at Terrace.

## School for Tomorrow

The newspaper boy... the boy who delivers your papers... is a typical Canadian boy. He is the business man of tomorrow. And as a carrier, he learns those lessons which will prepare him for a successful future.

## Carrier Competition

Starting on October 3 the Daily News is sponsoring a carrier competition with a bicycle as first prize and many other valuable cash prizes. The boys will be awarded points for obtaining new subscribers for dependability and for efficiency in collections. So any help that you can give your carrier will be appreciated by him and he in turn will try to serve you... his customer... to the utmost of his ability.
