Community Xmas Service

The third annual Community Christmas Carol Service is being held Sunday evening in the Civic Centre Auditorium. An interesting program has been arranged and a choir of fifty voices will lead in the singing. A combined orchestra of the Shrine Club Band and the Symphony Orchestra will furnish the accompaniment. The Choir will be heard in the "Gloria" from Mozart's "Twelfth Mass." Peter Lien will conduct the Choir and Orchestra and Frank Anfield will act as master of ceremonies.

The program is arranged so as not to conflict with the evening Church services, the Carol Sing being held later in the evening.

Last year several hundred citizens joined in this Community project jointly sponsored by the Civic Centre, the Symphony Orchestra and the Shrine Club Band.

Most Rev. Anthony Jordan, O.M.I., vicar-apostolic of Prince Rupert, who has been in the south for the past few weeks on ecclesiastical business, returned to the city from Vancouver on the Prince George this morning.

Jack Frost Welcomed

Frost of the past week has brought rejoicing to the lumber industry in the Prince George district and elsewhere in the central interior. The ground, which had been bogged down with mud, causing a paralysis of timber hauling, is now hardened up. Loggers, haulers and mill operators have been able to return to their jobs and it was stated at the office of the divisional superintendent of the railway this morning that "operations are in full swing again."
