Harry Archibald To Join Cannery

H. G. Archibald, until recently Member of Parliament for Skeena, is leaving tomorrow night on the Coquitlam for Masset to become identified with S. L. Simpson's Queen Charlotte Cannery. He will be accompanied by Mrs. Archibald and daughter and they will make their future home in Masset. Queen Charlotte Cannery, which specializes in crab canning, is about to start on the construction of a new cannery at New Masset. The concern has been operating at Old Masset in the plant of Nelson Bros. Fisheries Ltd. which it had leased.

HERE TODAY, IN LONDON SUNDAY

Mrs. J. S. Black left today by air on a trip which will take her back to her home at Gainsborough, near Nottingham, England, for the first time in 28 years. Mrs. Black will fly from Vancouver to England by Trans-Canada Air Lines, returning the same way. She will be away for two months. In London, Mrs. Black will be met Sunday afternoon by her brother, Leslie Makin, with whom she will visit in Nottingham. She will also visit in Glasgow and Edinburgh with Mr. Black's relatives.

PROGRESSIVE WAKENING
Sleep is deepest during the first two hours, after which it becomes lighter.

Provincial police patrol boat P.M.L. 15 left yesterday for Stewart, having on board, in addition the regular crew, Constable George Nelson who had come in with a prisoner from Stewart the day previous.

AUCKLAND, N. Z. —The president of a bowling club staggered players at a green here by asking them how to play the game. He explained that he came from a remote district which was laying out its first green and although elected president of the new club, had never seen a game in his life.

HORSE KICKS LITTLE GIRL

FRANCOIS LAKE—Little Loretta Hickey, Mr. and Mrs. Clarence Hickey's little year-old girl, gave her parents a few hours of intense worry when she was kicked in the face by a horse. She had been riding in a little wagon in the yard being pulled by her brother Den-

nis, who evidently grabbed its leg for perfectly quiet children, he kicked face. Covered with bleeding from the mouth, she was rushed to hospital in Burns Lake where only injury was the teeth and several

FIRE taught me a lesson!

about the worth of DUROID Shingles

As fire raged through the house next door Sonny's kid-voice shrilled at me: "Hey, Pop, our roof's on fire too!"

It looked bad. Our old wooden roof was tinder dry. "Here goes everything," I thought.

But we were lucky. Fire hoses swung around, hurled water with terrific force and killed the blaze in time.

Afterwards, I learned that sparks had showered down harmlessly on my neighbor's DUROID roof.

So I made up my mind—and roofed our new home with Forest Green DUROID Shingles in hexagon style. That was several years ago and our roof is as bright today as when it was applied. Call your nearest Sidney Dealer today.
