## MacMurray And & Colbert Starred

Re-uniting the stars of "The Egg and I," Claudette Colbert and Fred MacMurray, a recordbreaking comedy, "Family | Honeymoon," opened at the Capitol Theatre Wednesday and is being repeated tonight.

The story is about a young widow with three lively children and her marriage to a college professor who bravely takes his bride and her three youngsters, on a honeymoon at the Grand Canyon of Arizona.

The trip to the Canyon and the visit there present a series of hysterically-funny incidents as the children get into one escapade after another. Baffled in their romantic quest for honemooning privacy, Claudette and Fred come to a hasty parting of the ways, a situation a crafty blonde, portraved by laking Leave crafty blonde, portrayed by Rita Johnson, who would like the professor for herself and makes no bones about it.

The cast includes Hattie Mc-Daniel and Chill Wills.

The children are portrayed by May and June. three of Hollywood's most engaging juvenile players, Gigi Perreau, sensation of "Enchant-
