TAKES CHARGE HOSPITAL LAB

Miss Lois Long, formerly of the Ottawa Civic Hospital, has Montador, E. Garne taken charge of the laboratory vey, H. Cameron, E at the Prince Rupert General To Sandspit (Tod Hospital as technician in place son, M. Young. of Dr. R. E. Coleman, who has resigned and gone south. Dr. T. H. Ryall, J. P. Coleman was pathologist and had been in charge of the lab- Harvey, K. Manson oratory for the last 12 years. His sen, E. Vasey. departure leaves the city without a pathologist.

Entering semi-retirement, Dr. Coleman will live at New Westminster. He also plans to do part-time technical work at the University of British Columbia

BETTER RADIO BEING SOUGHT

Prince Rupert Chamber Commerce, through its radio committee, will contribute to a brief which is being prepared by the Associated Boards of Trade of Central British Colum bia for submissision to the board of governors of the Canadian Broadcasting Corporation which is holding sittings this service for this are month in Vancouver and Ed- cently was advised monton The local Chamber cession might be I has been active for some time local station in the in the campaign to obtain telegraph line rates. booster stations at central interior points and the release of the full CBC network programs to station CFPR at Prince Rupert.

E. T. Applewhaite, M.P. for Skeena, has also been active in Ottawa with a view to obtaining better radio broadcasting
