

MONTREAL, May 4th—A Mother's Day gift that father will enjoy, too! . . . The famous MORPHY-RICHARDS fully AUTOMATIC ELECTRIC TOASTER! Write to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q.—for this free booklet describing the wonders of this fully automatic toaster! When you read about its amazing new improvements, you'll say—"Just what I've always wanted in a toaster!" Yes, the Morphy-Richards toaster will be a prized household possession for years and years of happy breakfasts! You see, it's the work of skilled British craftsmen—now available (for just \$22.50!) at leading department stores and dealers all across Canada. So do send for this booklet—and show it to your husband. I'm sure he'll take the hint!

**"Look At It Outside! Look at it inside! You can't match a Frigidaire!"** That slogan forcibly caught my eye at a Frigidaire leader's the other day. And when I took another look outside and inside the new FRIGIDAIRE DE LUXE COLD-WALL REFRIGERATOR I realized how meaningful that slogan is! Outside—the gold and white Raymond Loewy cabinet design is sheer beauty. Inside—there's the full-width Super-Freezer Chest that holds up to 49 pounds of frozen foods—the rust-proof aluminum sliding shelves—the twin "stack-up" fruit and vegetable Hydrators—all lustreously ice-blue trimmed! "You certainly can't match a Frigidaire," I said to myself. "No wonder the Frigidaire people keep reminding everybody that there is only one Frigidaire— that it is made only by General Motors. That Frigidaire name is something really important to look for!"

**Just For Us Women! . . .** the makers of that good DURHAM CORN STARCH know that a handy to handle package helps make cooking a pleasure! That's why they've spent months designing this brand new Durham Corn Starch package that's a pleasure to open! Just pinch the top and roll back—no fumbling with a knife or other sharp instrument to open it! Inside you'll find "Durham" carefully protected in a paper bag. Then, when you've finished using it, roll the lid and your corn starch will be protected completely from dust 'til the next time you use it. And you'll be thrilled by the luscious recipes on every package of Durham Corn Starch! One of my favourites is Maple Walnut Cream—so good when it's made with Durham!

**It's ALWAYS In Demand** in our house at mealtimes... that's why I make a particular point of having a good supply of **HEINZ TOMATO KETCHUP** always on hand! You'll find so many taste-wise uses for this Heinz "Flavour Magic" . . . it's perfect with egg dishes, stews and hashes and wonderful in gravies! Of course the Heinz Chunks are plenty of rich, rosy pedigreed "Aristocrat" tomatoes as a base in Heinz Ketchup — so no wonder it's good! When eating out or at home be sure to look for the famous red bottle.

**Are Discovered The Ideal Gift For Mother's Day!** It's the amazing RADIANT 3 MINUTE KETTLE that boils any liquid in a wall-plug handy anytime you feel like a cheery cup of tea! Its heating unit is well-insulated and its "legs" protect the surface of your furniture. Absolutely safe! It's truly economical, for it lasts a lifetime and saves power because it uses electricity only when you want it. Radiant's new wonder "Radiant 3 Minute Kettle", you can boil enough water for four cups of tea—in just three minutes!

**There's Good Reason** why this Silver Moon Cake is so popular. It's tender, light, and melt-in-your-mouth. There's a reason for *that* too, and the super-fineness, the super-evenness of **SWANS DOWN CAKE FLOUR** is the answer! Try this and see if you don't agree it's one of the best cakes you've ever made.

Guy Lowe, charged with stealing a radio in the city on or about April 26, requested a remand in city police court yesterday so that he could get the services of counsel. Magistrate W. D. Vance adjourned Lowe's case for eight days or sooner.

Lowe was escorted from Ocean Falls Wednesday by Const. L. Adams. Following the alleged theft, he went to the paper town but was later arrested and locked up. Another charge of attempting to break jail awaits him at Ocean Falls.

First motorcycle to travel over the highway from Vancouver to Prince Rupert arrived here Tuesday with a 19-year-old U.B.C. student at the wheel. Stepson of Telephone Superintendent Jack Edwards, Anthony

Burrage made the trip in three and one-half days and came

for Better

through in good shape.

The machine was caked solid with mud, Mr. Edwards said. He reported his son as saying he had a good trip and lots of fun. The lad strapped a sleeping bag to the motorcycle and dozed outdoors during the trip. On Monday night, before arriving in the city, Anthony slept in an old logging camp 20 miles east of Prince Rupert.

He was told at Vanderhoof that he couldn't get through but, except for heavy going near Fraser Lake, he reported a good trip.

Tony leaves his parents on this week-end for two days of air crew training at the University Flight School in Vancouver. He will make the trip with his sister, Anne, in a day aboard the Canadair. They will spend the summer here with their parents. She is also a member of the British Columbia Air Cadets.
