TRACK ENTRIES

Watchful Eye Being Kept on Possibilities

Chairman Graham Alexander of the Dominion Day sports committee is keeping an eager eye open for entries in the track events which take up the early part of the afternoon at Roosevelt Park on July 1.

Particularly is he seeking entries in the open events which will supplement the team functions during the day.

Team entries so far total five, two from Booth Memorial High School and three from the Prince Rupert Baseball Association. However, it is expected that Ketchikan High School will send down at least one team and it is likely that the Ketchikan baseball team will enter a group.

Trophies for the events have arrived and are now on display in the Northern B.C. Power Co. store window. These include the H. G. Archibald trophy for the individual open 100 metre dash; the Bulger trophy for the individual open running broad jump; the B.C. Packers trophy for the 400-metre dash, individual open, and the Northern B.C. Power trophy for the 800 metre run.

Team events, which will be entered by groups of four, will include the 100-metre dash, 400-metre dash and running broad jump in addition to the relay race, which is compulsory for all teams. Team events will be run in both closed and open classifications. Requirements for the closed junior classification is that the entrants be under 21 years of age.

SOCCER RAINED OUT

Last evening's showers rained out the first round soccer game for the Dominion Day Cup between Canadian Legion and 120th Battery.

LAWN BOWLING

Results of Thursday night's Canadian National Recreation Association Lawn Bowling play were as follows:
Arroll rink, 21; McGreish, 15. Ross, 25; Frew, 7. MacPhee, 23; Paul, 14.

part of the Dominion Day celebration and another major attraction on the day's list of events will be the final football match for the Dominion Day Cup. The Football Association have co-operated with the sports committee in charge of the day's arrangements and have arranged their schedule so that this Dominion Day final will be played in the afternoon of Dominion Day.

The Prince Rupert Baseball Association too have gone out of their way to co-operate with the Dominion Day sports committee and now the annual international baseball series between Ketchikan and Prince Rupert All Stars will be played in conjunction with the other events. This year the plan for the Prince Rupert end of the international baseball series calls for three games to be played in Rupert. The first of these three games will be played on Wednesday evening, that is June 30, while the second two will be played on the afternoon and evening of Thursday.

J. S. Wilson, who is in charge of special ceremony arrangements, reports that Mayor Nora E. Arnold has consented to speak briefly on Dominion Day and what it means as part of this Dominion Day observance ceremony. This ceremony will likely take place in the middle of the afternoon between two of the major sports events.

As a climax to the Dominion Day celebrations the Civic Centre Association are again holding their annual Dominion Day dance. An added feature at this year's dance will be the presentation to the winners of the championship trophies won at the afternoon's Dominion Day track meet.

Reminiscences

By W.I. and Reflections

If the average tourist misses what one hears is at all probable, will be on the unemployed list before long. He ought to be a darned handy man. One can't say he lacks experience. He's been in retail trade, knows the problems of the little fellows and is familiar with "inside stuff" in the nations' most exalted quarters.

It should soon be hayting time along Second Avenue in the general neighborhood of the C.N.R. park. There is a most luxuriant growth, and good fat beef should be the logical result. While a mowing machine is out of place, there is ample space in which to swing a scythe. If the day is warm, pitchers of oatmeal and cold water will be provided.

The late Pierpont Morgan's yacht Corsair, now cruising this part of the coast, is said to have every known device for safety, and everything else in the way of luxury and comfort. How about good digestion?
