HERE'S MAGIC IN PAINT
TASTE THE DIFFERENCE—When Good Taste finished sec-
ond in the Cambridge handicap, it meant a \$31,000 windfall
for 50-year-old Harold Blackmore of London, Ont., whose Irish
Sweepstake ticket was drawn on the second - place horse. It was
the Bell Telephone Company construction clerk's first sweep
victory in a lifetime of unsuccessful attempts to cash in.

FIRST AID FOR BABY'S FIRST SNIFFLE
A step in time often saves nine. So be
wise, and take this simple precaution at
baby's first sneeze or sniffle. Give Baby's
Own Tablets to clear little bowels of irri-
tating waste materials that make baby
fretful, feverish and discourage the rest so
needed to keep up strength. Designed espe-
cially for baby's delicate system, Baby's
Own Tablets have a laxative action that is
gentle, yet speedy and the relief they bring
goes a long way toward giving baby com-
fort while nature works to cure the cold.
Sweet-tasting, easily crushed to a powder
if desired, Baby's Own Tablets have been
used by mothers for over half a century.
